

All classes are streamed live on Youtube: studioA Photography

August 22 – Essentials 1

For the rookies: A discussion on the basics of exposure control: Aperture, Shutter speed and ISO. We discuss how to get your photos online or on a computer and setting up wifi apps for basic backup and editing.

1 SKILL. 3 MINUTES.

**New YouTube
Series!**

Tony Ulchar has been a mentor and guide to hundreds of beginners, rookies and aspiring professional photographers for more than 15 years. He brings his breadth of knowledge from the boardroom, the sports field and the backcountry to the classroom to make photography easy, simple and fun. Over the last 15 years he has led photography workshops to Arizona, Costa Rica, Michigan, and Cuba.
