

Income Level Calculator for the 2023-24 School Year

a tool for determining preschool tuition

Welcome to City Garden's Income Level Calculator! City Garden's Preschool Program is tuition based. However, tuition at City Garden is dependent upon a family's size and income. This means we offer discounted-tuition for low income families. Please use the chart below (our Income Level Calculator) to determine your income level. Your income level will either fall into Income Level A, B, C, or D.
