Know God. Find freedom.
Discover purpose. Make a difference.

We gathered together in 2020.

We still gathered together... as family. To be filled. To celebrate. To worship. To minister.

While 2020 presented many unique challenges, it also offered the opportunity to make an eternal impact. We can honestly say, you leveraged the season well. You prayed, served, and gave to quicken the pace of our ministry, and strengthen the pillars of our values. You kept a keen eye on the vision and mission of our House, and loved your neighbor as yourself. You also opened up our Martinsburg location which is already reaching hundreds of new families and built a broadcast room that is reaching people across state lines and beyond. Ministry is flourishing. Through your generosity and many others, we were able to witness Psalm 34:18 in real time.

I love this passage. It speaks to the grace of Jesus and reminds us of how He uses the local church as a primary tool to minister to those crushed in spirit.

Here, on this page, are many numbers. Numbers that indicate just what your generosity and prayers were able to accomplish with God's grace. We call it your Eternal Return on Investment (E-Roi). The numbers are there, but they're bigger than what you read. Every number represents an individual, but also family units. They represent a future generation to come. They represent God's passion (people) on a page. Thank you for stewarding well, giving generously, and seeing the future.

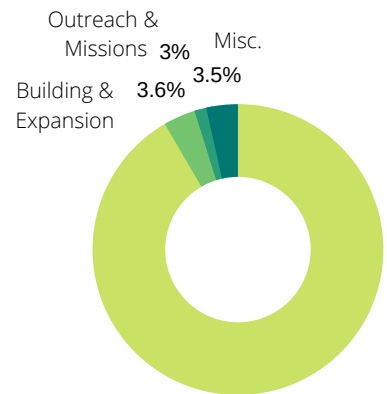

"The Lord is near to the brokenhearted and saves the crushed in spirit."

It's a privilege to be your Pastors, Derick and Jessica
