**Zoe Coffee Co** began out of a desire to make a **global impact for the gospel of Jesus Christ** right from our hometown of Cleveland, Mississippi. Profits made by Zoe Coffee Co go directly to the mission field in rural Kenya, digging water wells, building widow homes, and facilitating community enhancement programs through Zoe Ministries.

**Centrally located in the heart of downtown Cleveland**, this space provides so much more than coffee to the local community. Our building holds office space for **Zoe Ministries** while also serving as a safe gathering place for small groups, church meetings, and student study sessions.

**Zoe Coffee Co** also holds a free-standing prayer chapel where visitors are encouraged to pray for the ministry in Kenya as well as the local community. Our prayer is that this coffee shop not only enhances the work taking place internationally, but also benefit the community of Cleveland as well.
