Get Set,

Goals

- ◎ Define and understand formative assessment
- ◎ Identify the 4 key elements of formative assessment
- ◎ Learn about various formative assessment tools
- ◎ Review and discuss best practices for instruction
- ◎ Identify next steps for implementation in your lessons

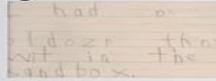

Which of the four
components of
Formative
Assessment do you
feel you need more
practice with?

Criteria For Success For Writing

In my writing...

- I used kindergarten spelling.

- I wrote one or more complete ideas.

- I used the word wall to spell sight words.

- I started sentences with a Capital letter.

- I used an end mark (.?!).
- I used an illustration to give more detail to my writing.

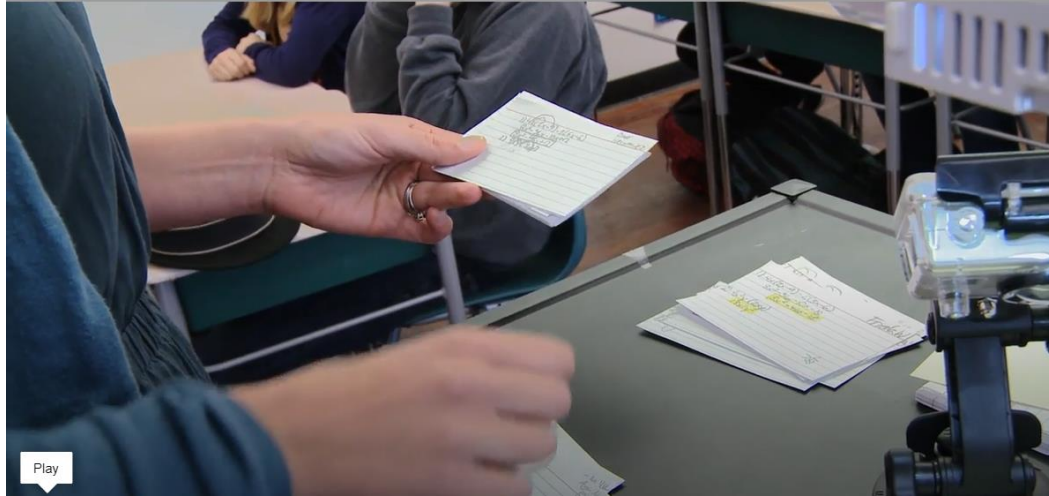

How do we know that these students understand what they learning goals are and how they can achieve success?

Eliciting Evidence

- How was the activity set up to allow for evidence to be elicited?
- How did the teacher's questions elicit evidence of learning?
- How does/will she use the evidence to adjust teaching?

Providing Feedback

- How does the teacher provide descriptive feedback?
- How do peers support each other through providing feedback?

Activating Learners

- How does the teacher create a collaborative culture?
- How are students encouraged to ‘own their own learning’?
- How do students self-assess?
