

Conducting Walkthroughs with *Purpose, Focus and Meaning*

Opening Activity

Rigorous or Not?

What Do You Want to See?

- Consider this question: When you walk into a classroom or other learning space, what do you expect to see?
- Make a list of everything you expect to see. Don't spend too much time thinking or organizing...just brainstorm!

Questions to Consider...

- What do you value?
- What is the ultimate goal of instruction?
- What are your non-negotiables?
- How many walkthroughs do you expect to conduct in a given day or week?
- How long do you plan to spend in a given classroom?
