Bloom's and DOK Activities

In a group, identify the Bloom and DOK category for each activity.

Demonstrated Learning – Look Fors

- Students regularly complete learning tasks that demonstrate their ability to **analyze, synthesize, and/or evaluate new instructional content**.
- Tasks include the opportunity for students to respond to content using **creativity, originality, and/or adaptation**.
- Students demonstrate mastery of content by completing **a variety of formative assessments that allow for reciprocal feedback**.
- Assessment results indicate that students are achieving expected outcomes and are able to **self-reflect and share responsibility for their learning**.
- Students are **regularly and strategically partnered or grouped based on data, and lesson content, process, and/or product is differentiated to support varying student needs**.
