Memorandum in Support

S6976 – Senator Gounardes

A7727 – MoA Abbate

An act to amend the retirement and social security law, in relation to modifying the retirement program for Triborough bridge and tunnel members

SUPPORT!

This proposed legislation, which would take effect immediately upon its enactment, would amend section 604-c of the Retirement and Social Security Law to eliminate the age 50 qualifier in the 20 Year/Age50 Retirement Plan for tier 4 and tier 6 members of the Triborough Bridge and Tunnel Authority.

The bill would allow any Tier 4 or Tier 6 member of the TBTA to receive a full pension after 20 years of service, regardless of age, as is the case for the overwhelming majority of law enforcement members throughout the state. Moreover, it would lower the payroll obligations for the MTA, and has the potential for long-term cost savings for the NYC Employees' Retirement System.

The New York State Public Employee Conference (NYSPEC) is an umbrella organization comprising approximately 80 unions and groups representing a wide spectrum of hundreds of thousands of public employees. NYSPEC wholeheartedly supports this proposed legislation, which has passed both houses of the legislature, and urges its swift enactment
