Re: Opposition to S5474 (Senator Rivera) / A6058 (Assemblyman Gottfried)

Dear Legislator:

I write today on behalf of the (currently) 82 unions and umbrella groups that are member units of the New York State Public Employee Conference (NYSPEC), and all current and future retired public employees, who along with their family members collectively comprise several million New Yorkers.

Your house's version of the "New York Health act", either S5474 (Senator Rivera) or A6058 (Assemblyman Gottfried), has numerous sponsors. Whether you are a sponsor or not, please read this letter!

NYSPEC is clearly on record, as repeated in the 2021 version of our Memorandum in Opposition, that we are not *conceptually* opposed to universal health care. However, we still stand in staunch opposition to the current and previous iterations of this seriously flawed proposed legislation.

Aside from the *unknown* astronomical cost of the proposed legislation, along with several other unanswered (and unanswerable!) questions, excerpted here from our current formal opposition memo is our chief objection: "*... One – perhaps the most important – example, is how to recompense those public employees who have already paid, through reduced salary and benefits accepted as part of collective bargaining agreements negotiated over the course of decades, for their existing health plans. Indeed, for several years, the following language has appeared in the "WE OPPOSE" section of NYSPEC's Legislative Agenda: "Any legislation which circumvents, converts, and/or nullifies hard-fought gains to health care coverage obtained through collective bargaining."*" In the "NEWS" section of our website – nyspec.org – you may view our formal opposition memo.

If you have added your name as a sponsor, you may have been unaware of this opposition; we implore you to re-consider and remove your name from sponsorship of this insidious proposal, which would cost the taxpayers of this state untold billions of dollars to implement. If you have not sponsored this bill, we applaud your awareness and concern for the devastating impact this bill could have on New Yorkers.

Thank you,

Peter D. Meringolo
