Re: Scholarship Offering for 2020 Graduating Seniors

Good morning!

The Homosassa River Alliance, a non-profit organization with a mission to protect and enhance awareness and knowledge of our local river, springs and surrounding ecosystems, is again offering a scholarship to a 2020 graduating senior from our local area.

The scholarship, consisting of a one-time award of \$500, will be given to one student who has demonstrated enthusiasm and interest in environmental issues and studies, especially those with special relevance to our local area waters and ecosystems. We have enclosed copies of our application form and request that you post our offering in whatever location you provide for such purposes. We will visit your office based on your schedule to collect any completed applications. Then, our Scholarship Evaluation Committee will strive to complete its work in a timely fashion. Of course, we will work with your office to provide notification as per your guidelines and timetables.

Please feel free to contact me with any problems, concerns or modifications that may be required, at pcolvinnn@gmail.com. You can also reach me by telephone at (352)628-3906. Thank you so much for working with us to provide this award to one of our community's future stewards of the environment.

Sincerely,

Phyllis Colvin, for the Homosassa River Alliance Education Team
