SUBJECT: Public Meeting Notice – September 17, 2020

To continue protecting the health and safety of our staff, members, and guests, the **Washington State Conservation Commission (WSCC)** meeting will be conducted via online webinar and teleconference. All members of the public are welcome. If you would like to join us online, please follow the link included in the following sections to receive additional information on how to participate.

During in-person meetings, it is customary that the host Conservation District conducts a conservation tour and interaction dinner on the day preceding the SCC meeting. Though we regret being unable to meet in-person due to COVID-19, we are excited that South Douglas Conservation District will present a virtual tour during the meeting on September 17.
