[#] Each county work group must approve of the information in the report before it is submitted. Please allow enough time prior to the submittal due date for your work group to approve both the content and the submittal of the report.

* Special note on Chelan and Thurston County: Both Chelan and Thurston County were pilot projects that received funding much earlier than all the rest of the counties that opted-into VSP. As such, their timelines are substantially different. Other counties have later deadlines based on when additional funding was made available to them.
