Privacy Policy & Website Disclaimer

Privacy Policy

We are committed to the right to privacy for our patients and website visitors. When a person visits our website we may collect and track data from our website's server. This information helps us to improve upon the content provided on our website. Information collected may include how long you spend on our website, the pages you visit, your browser and operating system types and the name of your Internet service provider.

Our website provides the capability to request information by emailing info@journey.clinic. To process your request, we may require that you provide us with personal identifying information. All information collected is held in complete confidence. It is our policy not to share the information with third parties for any reason, unless legally required to do so or as necessary to process your requests.

If you have any questions about our privacy policy or our use of information gathered through our website, please contact us at info@journey.clinic.

Website Disclaimer

This website is not designed to and does not provide medical advice, professional diagnosis, opinion, treatment or services to you or to any other individual. This website provides general information for educational purposes only. The information provided in this website is not a substitute for medical or professional care, and you should not use the information in place of a visit, call, consultation or the advice of your physician or other healthcare provider. Journey Clinical is not liable or responsible for any advice, course of treatment, diagnosis or any other information, services or product you obtain through this website.

IF YOU BELIEVE YOU HAVE A MEDICAL EMERGENCY, YOU SHOULD IMMEDIATELY CALL 911 OR YOUR PHYSICIAN. If you believe you have any other health problem, or if you have any questions regarding your health or a medical condition, you should promptly consult your physician or other healthcare provider. Never disregard medical or professional advice, or delay seeking it, because of something you read on this website. Never rely on information on this website in place of seeking professional medical advice. You should also ask your physician or other healthcare provider to assist you in interpreting any information in this website, or in applying the information to your individual case.

The information on this website should not be considered current, complete or exhaustive, nor should you rely on such information to recommend a course of treatment for you or any other individual. Any use of this website or the information contained in the website is at your own risk. We will not be responsible for the consequences of your decision to utilize the information contained in this website.
