Although PartnerStack adheres to the accepted industry practices in securing the transmission of data to, from and through the Platform, You agree and acknowledge that PartnerStack cannot and does not guarantee the security of data transmitted over the Internet or public networks in connection with Your use of the Platform.

12. Vendor Channel Program

Vendors will provide information about their channel program on the Platform, which generally includes a description of the channel program, payment terms, the commission schedule, and other terms and conditions. Partners who wish to participate in a channel program will communicate directly with a Vendor through the Platform and will be asked to enter into an agreement documenting the terms and the conditions of that Vendor's channel program (the "**Channel Program Agreement**"). You agree and acknowledge that: (i) PartnerStack is not a party to the Channel Program Agreement; (ii) PartnerStack is simply facilitating the channel program communications between Vendor and Partner; (iii) PartnerStack is in no way responsible

for the actions or omissions of any Vendor and any Partner; (iv) the terms and conditions of each channel program and Channel Program Agreement are determined by the relevant Vendor; and (v) PartnerStack makes no representations or warranties of any kind with respect to any Vendor, any channel program, any Channel Program Agreement and any Partner.

13. Payment Processing; Transaction Costs; Administrative Fees

Payment processing services for the Platform are provided by third party payment processors (currently, Payments Canada Ltd., PayPal Holdings, Inc. and Stripe, Inc.) (collectively, the “**Payment Providers**”). Payments by Vendors for subscription fees and rewards will be processed through Payment Providers. Payments to Partners for commissions will be processed through Payment Providers. You agree to enter into and comply with the terms and conditions of the Payment Providers that apply to Your payments, including the fees charged by the Payment Providers for their services (the “**Transaction Costs**”).

Partners are responsible for keeping their Payment Provider accounts current within the Platform. PartnerStack has no responsibility for incorrect or delayed payments made to Partners if using the current information within the Platform.

14. Vendor Payments

PartnerStack will invoice Vendor through the Platform for (a) on a monthly basis, the total rewards earned by its Partners during the preceding month plus the PartnerStack commission (collectively, the “**Total Rewards Amount**”) and (b) on an annual or other basis (as negotiated between PartnerStack and Vendor), the applicable subscription fee for access and use of the Platform (the “**Subscription Amount**”) and any other fees agreed between the parties. Vendor must notify PartnerStack of any discrepancy or dispute involving the calculation of the Total Rewards Amount within five (5) days of invoice and Vendor must pay the Total Rewards Amount within ten (10) days of invoice. Vendor must pay the Subscription Amount within thirty (30) days of invoice. Receipt of the Total Rewards Amount will be deemed as the Vendor’s acceptance of the accuracy and completeness of the Total Rewards Amount identified on the invoice. Once the Total Rewards Amount is received by PartnerStack, it is promptly distributed to the appropriate Partners and therefore, no return or refund of the Total Rewards Amount is possible. Any delay in payment by Vendor of the Total Rewards Amount will delay the distribution of such amount to the appropriate Partners.

Vendor agrees and acknowledges that: (a) PartnerStack may automatically withdraw the Total Rewards Amount, subscription and other fees, as applicable, from the Vendor’s account with the Payment Provider within ten (10) days of invoice and (b) if PartnerStack is unable to make these withdrawals after thirty (30) days notice provided through the Platform, PartnerStack may charge Vendor for any and all out of pocket collection costs and interest on overdue amounts at the rate of 19% annually, or the maximum legal rate, whichever is less. In addition, PartnerStack may suspend Vendor’s access and use of the Platform. If Vendor is not on an automated payment plan with a Payment Provider, then Vendor shall pay all invoiced Total Rewards Amount within ten (10) days of

invoice and all invoiced Subscription Amounts within thirty (30) days of invoice.

15. Partner Commissions

Once PartnerStack receives payment of the Total Rewards Amount from Vendor, PartnerStack will notify Partner through the Platform that the commission payment is ready for deposit via the Payment Providers. In order to accept the commission payment, Partner must send a request through the Platform to authorize the deposit of the commission into the Partner's account with the Payment Providers. Partner agrees and acknowledges that commission amounts will be net of (a) Transaction Costs charged by the Payment Providers and (b) Administrative Fees, if any. "**Administrative Fees**" are deducted from commission payments that are not accepted by Partner by the second anniversary and are equal to the greater of (i) \$50CDN or (ii) twenty-five percent (25%) of the commission in question, until the commission amount is equal to zero. Administrative Fees will be charged on an annual basis until Partner has requested deposit of the remaining commission amount or the commission amount is reduced to zero.

Partner agrees and acknowledges that (a) PartnerStack has no obligation to pay out commission amounts until it receives payment from the corresponding Vendor and has received a payment request from the Partner; (b) PartnerStack is not responsible for any late or incorrect commission amounts; and (c) any disagreements over the amount of the commission fee must be communicated by Partner directly to the Vendor.
