

# CASA MARRONE BLANC DE BLANCS BRUT

**Varietal:** 100% Chardonnay

**Vintage:** NV

**Origin:** Italy

## TASTING NOTES

This elegant sparkling wine has a fruity, fresh and dry pallet, with notes of yellow apples, citrus, pear and melon. The finish is long and soft, thanks to a brief period in oak barrels before bottling.

## FOOD MATCH

The optimal aperitif, but also pairs beautifully with lighter fish dishes and fresh seafood, such as oysters or clams.

## ABOUT THE PRODUCER CASA MARRONE

Casa Marrone means “brown house” in Italian, paying homage to the earth-colored and old architecture found in southern Italy and surrounding the vineyards where Casa Marrone grapes are grown. The many old and beautiful brown houses represent the genuine Italy, the Italy that Casa Marrone helps bring to life.

Casa Marrone believes in a long-term commitment to the environment and the surrounding areas where it is produced, hence all wines are made with organically grown grapes. Luca, Annalisa and Alessandro Botter, who represent the third generation of the producing family, are now leading the company, integrating their almost centenary traditions with a new vision focused on innovation.

## VINEYARDS

The chardonnay grapes for this sparkling wine are grown in Puglia, on the Italian heel. The region has a wine history dating back to the ancient Greeks. The hilly landscape, and the warm and dry climate with cool nights, is optimal for organic wine production.

## WINEMAKER

The winemaker of Casa Marrone Spumante is Mr Massimo Donaldi.

## VINIFICATION

Casa Marrone Blanc de Blancs Brut is a dry sparkling wine, made with 100% organic chardonnay grapes grown in southern Italy, where the grapes reach a perfect ripeness before harvest. The grapes are handled with extreme care, in order to reach maximum quality of the wine.

The wine spends approx. 3 months in oak prior to the second fermentation.

## TECHNICAL DATA
