By submitting your design application, you confirm that:

1. You are the original creator of your design and have not copied anyone else's original work.

3. To the extent anyone else has contributed to your design, you shall obtain a signed, written agreement from that person assigning all of their rights in their contribution to you.

As part of the application process, you must sign the **Artist Agreement** that accompanies this application. By signing, dating and returning the **Artist Agreement** with your application, you are indicating your understanding that, while you retain the copyright and other intellectual property rights relating to your design, you grant the City of Detroit Lakes rights to the completed sailboat sculpture and perpetual rights to use images of the completed sailboat sculpture as they see fit. If you are submitting a digital image, you are granting the City all rights and permission to use the image to print and apply as a vinyl wrap on a sailboat sculpture. If your design is selected by a sponsor, you will be paid a stipend of \$500 for a large sailboat, \$300 for a small sailboat, or \$150 for a digital image. You will receive 1/3 of the stipend when you pick up your sculpture and the remaining 2/3 payment within 30 days of its successful completion and delivery *by the deadline*. If you fail to complete the sculpture by the April 1, 2021 deadline (or digital image by March 1, 2021), The City has the right to take the sculpture and give it to another artist to complete and you will not receive the final stipend payment. The City of Detroit Lakes will own the entire right, title and interest in the final completed sailboat sculpture. You will be acknowledged as the artist on sculpture signage and in appropriate publications. You will retain copyright of your design, but the City of Detroit Lakes owns the sailboat sculpture, and you grant unlimited use of images of the final work completed on the sailboat sculpture to the City of Detroit Lakes.
