JANUARY EXHIBIT BUILD EVENT SHOWED THE IMPORTANCE OF STUDENT LEADERSHIP

Sixty student leaders from local schools met at libraries: *Iron Mountain, Norway, Crystal Falls Florence and Iron River*, to begin sharing ideas and creating Pine Mountain Ski Jump exhibit models.

Kingsford, Niagara and Norway recorded having the most student leaders in attendance at the first student exhibit build event hosted by the Imagination Factory Kiwanis Children's Museum Exhibit Committee. Committee leaders, Cherie Fila, Megan Buck, Sara Pericolosi and Brit Anderson, were extremely pleased with the student turnout and the very creative and well designed exhibit models created by student leaders in grades 3 to 8.

Saturday, February 2 at Our Place Community Center school cafeteria student exhibit build team leaders will present their exhibit ideas to the exhibit committee team. This second event planning event will begin at 10:00 AM with lunch being served at 11:30. New leaders, parents and family members are welcome to attend.

Congratulations to adult leaders and student leaders for their continued leadership, enthusiasm and positive efforts to build the first exhibit.

EMPOWERMENT TEAM BEGINS GOAL SETTING

ALEX RANKIN, MICHAEL COLAVECCHI, JACKSON LUNDHOLM & ABRAM GINGRASS SUPER LEADERS HELPING AT EXHIBIT BUILD DAY

When Imagination Factory Committee leader BRIT ANDERSON speaks, everyone listens! Brit is pictured facilitating the exhibit build event at Norway Library. Student leaders at all area libraries planned and created Pine Mountain Ski Jump exhibit models. Alex, Michael, Jackson and Abram made positive connections with student leaders in grades 3 to 8 who designed exceptional creative Pine Mountain Ski Jump exhibit models.
