

Welcome to Helai

À la carte

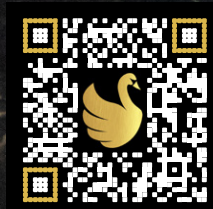

We would like to introduce you to the Afghan cuisine using a wide range of traditional delicacies. So you can choose from delicious kebabs, kurma dishes and vegetarian dishes.

Sampling

Do you find it difficult to choose? For the most complete introduction to our Afghan dishes, we recommend the Sampling Table. In authentic Afghan fashion, you will experience a feast with a table full of different dishes, colours and fragrances. With this menu, you get an appetizer and a combination of different main and side dishes. Second helpings of everything at no extra charge. And a delicious dessert to top it off.

Food allergies and dietary

Do you have a food allergy or special dietary needs? We are happy to find a solution with you. All dishes on our menu are marked with icons if allergens apply. They also show whether the dish is vegetarian, or if it has chicken, beef or lamb. We do ask that you communicate allergens to our serving staff in advance, just to make sure that we are aware. For some dishes, we can serve a modified version without the relevant allergens.
