Join us for a virtual town hall meeting

COVID-19 Safety, the New Variant, and the Vaccine

Learn from, talk with, ask community experts about:

Supporting One Another Through Covid-19 – how to support community health in the midst of a pandemic
Managing Chronic Illness and other health conditions
The Importance of COVID-19 Testing in our communities
Know Who is In Your Bubble – Preventing Household spread of COVID-19

Dr. Eleanor Walker
Dr. Eleanor Walker, MD serves as the Director of Breast Services in the Department of Radiation Oncology at the Henry Ford Cancer Institute, and Medical Director of HFHS Center for Integrative Medicine. She attended Washington University School of Medicine in St. Louis, Missouri, and completed her post-graduate training at Vanderbilt University Hospital in Tennessee and University of Maryland Hospital in Baltimore, Maryland, where she also completed a fellowship in the Department of Radiation Oncology. Dr. Walker has clinical interests in breast, prostate, radiosurgery and cancer incidence and treatment in minority populations as well as special research interests in breast cancer and integrative therapies.

Dr. Jewel Mullen
Jewel Mullen, M.D., M.P.H., M.P.A. is Associate Dean for Health Equity at the University of Texas at Austin Dell Medical School, and associate professor in the school's population health and internal medicine departments. She also serves as Director of Health Equity at Ascension Seton. An internist, epidemiologist, and public health expert, Mullen formerly served as principal deputy assistant secretary for health in the U.S. Department of Health and Human Services and commissioner of the Connecticut Department of Public. She is recognized nationally and internationally as a leader in building effective community-based chronic disease prevention programs and for her commitment to improving individual and population health by strengthening coordination between community, public health and health care systems.
