Informational Packet

Dear 5678 Dance Parent/Guardian,

Thank you so much for taking the time to read through this packet in its entirety. There is quite a bit of information, so it is very important to review all the items thoroughly. Most of your questions can be answered right here. If you have a question that you cannot find the answer to, please contact the studio at info@5678dance.com or 770-932.5653.

Show T-Shirts and Studio Masks

You can order your recital T-shirts and studio masks by clicking this link: <https://forms.gle/Pls8X7MNdv5TrcpV6> or e-mailing us at info@5678dance.com. T-shirts are \$20 each and masks are \$10 each. Pictures of both available on the order form! Orders are due **Saturday, October 17th**.

Photographs

Since we will not be holding our traditional "Picture Day", our photographer, Sarah Carpenter will be taking photos during the show and will be available before and after the performance for individual and family photos in front of our 5678 Dance banner. Order forms are attached! Please feel free to print and return with your dancer or e-mail completed forms to info@5678dance.com.

Video

We are bringing in a professional videographer to film our production. You will have an online-only option or an online and DVD combination. **It is extremely important that you do NOT record with your phone!** It is very distracting to the performers and other audience members and gives our videographer a reason to not film our future productions! We ask that you just sit back and enjoy your dancer in the present moment and let our professional create a beautiful memory for you. Order form links will be available soon and you may also order a copy on show day.

Tickets

Tickets will go on sale **Monday, October 19th at 9am**. Tickets are \$15 each (no fee!) in advance at <https://buy.tututix.com/5678dance> or \$20 at the door. Seating is general admission. Because it is an outdoor amphitheater, please feel free to bring lawn chairs, blankets, or anything comfortable to sit on! For guests that need special assistance, please contact us and we will reserve a space for you.

Dress Rehearsal

We will hold a dress rehearsal on the morning of our performance, **Saturday, November 14th at 11:00am** at the Bowl located at 5039 West Broad St. Sugar Hill, GA 30518. This is a mandatory rehearsal and is open to parents due to the outdoor nature of our venue. All parents that are planning to stay for both dress rehearsal and the show must present their tickets to our staff before entering the Bowl. After your dancer has rehearsed, they are free until our show call time at **2:30pm**, but please remember, **NO eating in costume!**

Costumes and Appearances

There will be a large tent set up for costume changes if your dancer is involved in more than one routine. We will have our staff helping with our dancers' quick changes, so we ask that parents do not enter the changing tent unless we have asked specifically for extra help. If you have a concern, please let us know ahead of time.

- Please refer to your dancer's costume sheet (included with costume) for specific instructions on how to fix hair, accessories, tights, and shoes.
- A pair of tights are included with your dancer's costume, but if you would like to have another pair to have on hand in case of accidents, you can give us a call and you may purchase an additional pair.
- Please wear appropriate stage makeup including neutral eyeshadow (browns, pinks, beiges), blush, and lipstick that matches the costume.

SHOWTIME!

After dress rehearsal in the morning, dancers must arrive back at the Bowl at 2:30pm. After your dancer performs, they may sit with you to enjoy the rest of the show! A few reminders:

- Please no eating in costume, even if they are done with their routine.
- Please stay for the entirety of the show; each dancer will have a final bow at the end of the show. Our dancers have worked very hard and our younger ones would enjoy seeing the "big girls" dance! At other theatres, our dancers have been unable to sit in the audience to watch, so please take advantage of this! If you must leave the show at any point for an emergency, please notify a staff member.
- Every dancer will take a final bow at the end of the show; a moment you do not want to miss!

COVID-19 Procedures

In the audience:

- Please be sure to set up chairs, blankets, etc. at least 6 feet away from the family next to you. The Bowl is big enough to accommodate everyone!
- Masks must be worn upon arrival but may be removed once you have found your seating area.

For our performers:

- Masks must be worn while waiting to go on stage. This can be any mask and does not have to be a studio one. You may have your dancer wear his/her mask throughout the performance if you wish, but it is not required. Each dancer will place their mask in a designated “cubby” and will retrieve it when they are finished with their routine.
- There will be hand sanitizer stations on each side of the stage for our performers.

Inclement or Extremely Cold Weather

We do understand that being outside in November could be a toss-up for weather. In the event of an extremely cold day, our performers will be allowed to wear a matching sweater over their costume. You can also double up on tights for an extra layer! If the forecast predicts rain, we will discuss with the venue and reschedule to the next available date. We will do our best to give everyone at least 24 hours notice. We thank you in advance for being flexible and helping us provide our students with a wonderful opportunity!
