

It's picture time!

Hello! My name is Sarah Carpenter! I will be taking your child's recital group and individual portraits this year. If you haven't already met me, I am a proud 5678 Dance Alumni that has been part of the family since I was five years old. As a student, I never left my camera at home. I wanted to capture memories of class time, performance, picture day, new tricks, and fun with friends. I am thrilled to work with the instructors and your children to continuing capturing memories at 5678 Dance.

I am excited to take your child's Nutcracker portraits this year! See you soon!
