If you wish to appoint the Chairman as your proxy, mark the appropriate box on the Proxy Form. If the person you wish to appoint as your proxy is someone other than the Chairman, please write the name of that person in the space provided on the Proxy Form. To appoint a second proxy you must, on each Proxy Form, state (in the appropriate box) the percentage of your voting rights which are the subject of the relevant proxy. If both Proxy Forms do not specify that percentage, each proxy may exercise half your votes. Fractions of votes will be disregarded.

Corporate Shareholders

Corporate Shareholders should comply with the execution requirements set out on the Proxy Form or otherwise with the provisions of section 127 of the Corporations Act. Section 127 of the Corporations Act provides that a company may execute a document without using its common seal if the document is signed by:

of voting rights are to be voted on the Resolutions by inserting the percentage or number of Shares you wish to vote in the appropriate box or boxes. If you do not mark any of the boxes on the Resolutions, your proxy may vote as he or she chooses. If you mark more than one box on a Resolution your vote on that Resolution will be invalid.

Voting restrictions that may affect your proxy appointment

Due to the voting exclusions that may apply to certain items of business, the Key Management Personnel and their Closely Related Parties will not be able to vote your proxy on Resolution 1 (Adoption of Remuneration Report) unless you have directed them how to vote or, in the case of the Chairperson, if you expressly authorise him or her.

Chairperson voting undirected proxies

If the Chairperson is your proxy, the Chairperson will cast your votes in accordance with your directions on the Proxy Form. If you do not mark any of the boxes on the Resolutions, then you expressly authorise the Chairperson to vote your undirected proxies at his/her discretion.

As at the date of this Notice, the Chairperson intends to vote undirected proxies FOR each of the Resolutions. In exceptional cases the Chairperson's intentions may subsequently change and in this event, the Company will make an announcement to the market.

Voting eligibility – snapshot date

The Company may specify a time, not more than 48 hours before the Meeting, at which a “snapshot” of Shareholders will be taken for the purposes of determining Shareholder entitlements to vote at the Meeting.

The Directors have determined that all Shares of the Company that are quoted on ASX at **5:00pm (WST) on Wednesday, 27 January 2021** shall, for the purpose of determining voting entitlements at the Meeting, be taken to be held by the persons registered as holding the Shares at that time. Accordingly, transactions registered after that time will be disregarded in determining entitlements to attend and vote at the Meeting.

Questions from Shareholders

At the Meeting, the Chairperson will allow a reasonable opportunity for Shareholders to ask questions or make comments on the management of the Company.

A representative of BDO Audit (WA) Pty Ltd, as the Auditor responsible for preparing the Auditor's report for the year ended 30 June 2020, will attend the Meeting. The Chairperson will also allow a reasonable opportunity for Shareholders to ask the auditor questions about:

- the conduct of the audit;
- the preparation and content of the auditor's report;
- the accounting policies adopted by the Company in relation to the preparation of financial statements; and
- the independence of the auditor in relation to the conduct of the audit.

To assist the Board and the Auditor of the Company in responding to questions please submit any questions you may have to the Company in writing by **5pm (WST) on Friday, 22 January 2021** in the same manner as outlined above for lodgement of Proxy Forms. The Chairperson will allow a reasonable opportunity for the Auditor to respond to the questions set out on this list.

Explanatory Statement

This Explanatory Statement has been prepared for the information of Shareholders in relation to the business to be conducted at the Annual General Meeting.

The purpose of this Explanatory Statement is to provide Shareholders with all information known to the Company which is material to a decision on how to vote on the Resolutions in the accompanying Notice of Annual General Meeting.

This Explanatory Statement should be read in conjunction with the Notice of Annual General Meeting. Capitalised terms in this Explanatory Statement are defined in the Glossary or otherwise in the Explanatory Statement.

1. Receipt of financial statements and reports

The Corporations Act requires the Directors' report, Auditors' report and the financial statements of the Company for the year ended 30 June 2020 to be tabled at the Annual General Meeting. These reports are contained in the Company's Annual Report.

Neither the Corporations Act nor the Company's Constitution requires a vote of Shareholders on the reports and financial statements. However, Shareholders will be given reasonable opportunity to raise questions on the Reports and ask questions of the Company's Auditor.

The Company advises that a copy of its Annual Report for the year ended 30 June 2020, is available to download at the website address, www.assetowl.com.au.

Please note that if you have elected to continue to receive a hard copy of the Company's Annual Reports, the Annual Report will accompany this Notice of Meeting or alternatively it will be mailed to you no later than 21 days before the Meeting.

However, if you did not elect to continue to receive a hard copy of the Company's Annual Reports and now (or sometime in the future) wish to receive a hard copy of the Company's Annual Reports, please contact Advanced Share Registry Limited on 1300 113 258 (from within Australia) or +61 8 9389 8033 (if overseas). They will be pleased to mail you a copy.

2. Resolution 1: Adoption of Remuneration Report

The Remuneration Report is set out in the Directors' report in the Annual Report.

The Corporations Act requires the Company to put a resolution to Shareholders that the Remuneration Report be adopted. In accordance with section 250R(3) of the Corporations Act, the vote on the Resolution is advisory only and does not bind the Directors or the Company.

In accordance with Division 9 of Part 2G.2 of the Corporations Act, if 25% or more of votes that are cast are voted against the adoption of the Remuneration Report at two consecutive annual general meetings of the Company, Shareholders will be required to vote at the second of those annual general meetings on a resolution (a "spill resolution") that another meeting be held within 90 days at which all of the Company's directors (other than the managing director) must go up for re-election.

At the annual general meeting of the Company in 2019, the votes cast against the Remuneration Report was less than 25% of the votes cast on that Resolution. As such, Shareholders do not need to consider a spill resolution at this Meeting.

A voting exclusion applies to Resolution 1 in the terms set out in the Notice of Meeting. Key Management Personnel and their Closely Related Parties may not vote on this Resolution and may not cast a vote as proxy, unless the proxy appointment gives a direction on how to vote or the proxy is given to the Chairman and expressly authorises the Chairman to exercise the proxy. The Chairman will use any such proxies to vote in favour of Resolution 1.

The Company encourages all Shareholders to cast their votes on Resolution 1 (Remuneration Report).

3. Resolution 2: Re-election of Mr Geoffrey Baldwin as a Director

3.1 Background

Resolution 2 seeks Shareholder approval for the re-election of Mr Geoffrey Baldwin as a Director.

In accordance with ASX Listing Rule 14.4 and clause 58.2 of the Company's Constitution, at every annual general meeting, one third of the Directors for the time being must retire from office and are eligible for re-election.

The Directors to retire are:

- (a) those who have been in office for 3 years since their appointment or last re-appointment;
- (b) those who have been longest in office since their appointment or last re-appointment; or
- (c) if the Directors have been in office for an equal length of time, by agreement.

Mr Baldwin retires by rotation and, being eligible, offers himself for re-election as a Director.

3.2 Biography

A profile of Mr Baldwin is contained in the Company's Annual Report for the financial year ended 30 June 2020.

3.3 Directors' recommendation

The Directors (other than Mr Baldwin) recommend Shareholders vote in favour of Resolution 2.

4. Resolution 3 – Ratification of prior issue of Shares – Placement Participant

4.1 Background

On 7 May 2020, the Company announced to ASX that it had issued 75,000,000 shares (**Placement Shares**) at an issue price of \$0.008 per Placement Share to professional and sophisticated investors (**Placement Participants**) to raise \$600,000 (**Placement**).

The Placement formed a part of the Company's total capital raise of \$1,500,000 which included a non-renounceable entitlement issue. Refer to the Company's announcement to ASX dated 7 May 2020.

29,816,879, Placement Shares were issued utilising the Temporary Extra Placement Capacity Waiver granted by ASX dated 22 April 2020. Placement Shares issued pursuant to ASX's Temporary Extra Placement Capacity Waiver cannot be ratified by the Company by Shareholders in accordance to the requirements of the Temporary Extra Placement Capacity Waiver.

45,183,121 Placement Shares were issued utilising the Company's placement capacity under Listing Rule 7.1

Accordingly, Resolution 3 seeks ratification by Shareholders for the prior issue of 45,183,121 Placement Shares to the Placement Participants.

4.2 Applicable Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limit the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it has on issue at the start of that period.

The issue of Shares to Placement Participants does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1, reducing the Company's capacity to issue further equity securities without shareholder approval under the Listing Rules 7.1.

Listing Rule 7.4 allows the shareholders of a listed company to approve an issue of equity securities after it has been made or agreed to be made. If they do, the issue is taken to have been approved under Listing Rule 7.1 and so does not reduce the company's capacity to issue further equity securities without shareholder approval under that rule.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 3 seeks Shareholder approval for the issue of Placement Shares to the Placement Participants for the purposes of Listing Rule 7.4.

If Resolution 3 is passed, the issue of Placement Shares to the Placement Participants will be excluded in calculating the Company's 15% limit in Listing Rule 7.1, effectively increasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

If Resolution 3 is not passed, the issue of Placement Shares to the Placement Participants will be included in calculating the Company's 25% limit in Listing Rule 7.1, effectively decreasing the number of equity securities it can issue without shareholder approval over the 12 month period following the issue date.

4.3 Listing Rules information requirements

In accordance with the disclosure requirements of Listing Rule 7.5, the following information is provided in relation to Resolution 3:

(a) **Persons to whom the Placement Shares were issued and the basis of identification**

Placement Shares were issued to various non-Related Party professional and sophisticated investors, known to Sequoia (defined below), as defined in section 708 of the Corporations Act.

Placement Participants included both existing and new Shareholders of the Company.

None of the Placement Participants who were issued more than 3,012,208 Shares under the Placement (being 1% of the total number of Shares on issue prior to the Placement) were or are:

- Related Party of the Company;
- a member of key management personnel;
- a substantial holder in the Company;
- an advisor of the Company; or
- an associate of any of the above.

(b) **The number of securities issued**

75,000,000 Shares were issued in total to Placement Participants under the Placement.

45,183,121 Shares were issued to Placement Participants utilising the Company's placement capacity under Listing Rule 7.1.

(c) **Date of issue of Placement Shares**

Placement Shares were issued to Placement Participants on 7 May 2020.

(d) **The price at which the securities were issued**

Placement Shares were issued at an issue price of \$0.008 each to raise a total of \$600,000 (before costs).

(e) **Purpose of the issue and use of funds raised**

Funds raised from the Placement to Placement Participants will be applied to the Company's software development and general working capital requirements.

4.4 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 3 as it will refresh the Company's issuing capacity under Listing Rule 7.1 and give the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required.

5. Resolution 4 – Approval to issue shares – Sequoia Corporate Finance Pty Ltd

5.1 Background

On 4 March 2020, AssetOwl engaged Sequoia Corporate Finance Pty Ltd (**Sequoia**) for corporate advisory services (**Sequoia Agreement**). Under the Sequoia Agreement, payment of certain fees is to be satisfied through the issue of Shares, in the event that Sequoia successfully completes a capital raising of \$1,500,000.

The Company completed a capital raising of \$1,503,662, being the full amount of the capital sought by the Company, via the issue of 187,957,805 Shares at an issue price of \$0.008. Refer to the Company's announcement of the same on ASX dated 22 May 2020.

Pursuant to the terms of the Sequoia Agreement and subject to Shareholder approval, the Company proposes to issue 4,076,488 Shares to Sequoia corresponding to a value of \$39,134.28 at a deemed issue price of \$0.0096 per Share.

If the issue of the Shares is not approved by Shareholders, the Company will satisfy its obligations under the Sequoia Agreement through a cash payment of \$39,134.28.

5.2 Applicable Listing Rules

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary securities it has on issue at the start of that period.

The issue of Shares to Sequoia does not fit within any of the exceptions to Listing Rule 7.1 and, as it has not yet been approved by the Company's Shareholders, it effectively uses up part of the 15% limit in Listing Rule 7.1 reducing the Company's capacity to issue further equity securities without shareholder approval under the Listing Rules 7.1.

The Company wishes to retain as much flexibility as possible to issue additional equity securities into the future without having to obtain shareholder approval for such issues under Listing Rule 7.1.

To this end, Resolution 4 seeks Shareholder approval for the issue of Shares to Sequoia for the purposes of Listing Rule 7.1.

If Resolution 4 is passed, the Company will be able to proceed with the issue of Shares to Sequoia and satisfy its obligations under the Sequoia Agreement. In addition, the issue of Shares will be excluded from the calculation of the number of equity securities that the Company can issue without shareholder approval under Listing Rule 7.1.

If Resolution 4 is not passed, the Company can still proceed but it will reduce, to that extent, the Company's capacity to issue equity securities without shareholder approval under Listing Rule 7.1 for 12 months following the issue. In this eventuality, the Company will elect to satisfy its obligations under the Sequoia Agreement, through a cash payment.

5.3 Listing Rules information requirements

In accordance with the disclosure requirements of Listing Rule 7.3, the following information is provided to Shareholders:

(a) **Names of persons to whom the Shares will be issued**

Shares will be issued to Sequoia Corporate Finance Pty Ltd.

(b) **Number and class of securities the Company will issue**

4,076,488 fully paid ordinary Shares will be issued to Sequoia.

The number of Shares to be issued has been calculated in accordance with the agreed formula and table below as between the Company and Sequoia:

“Sequoia shall be entitled to 1% of the post-money capital at the placement price taken in shares at a 20% premium to the placement price.”

Shares on issue prior to capital raising	301,220,812
capital raising	187,957,805
Number of Shares on issue post raising	489,178,617
Post money capital at placement price of \$0.008 per Share	\$3,913,429
1%	\$39,134.29
Placement price + 20%	\$0.0096
Number of Shares issued to Sequoia	4,076,488

(c) **Date of issue**

Shares will be issued on or around Monday, 1st February 2021, otherwise, no later than 3 months after the date of the Meeting.

(d) **Price or consideration received for issue of Shares**

Shares issued pursuant to Sequoia will be issued at a deemed issue price of \$0.0096 in accordance with the terms of the Sequoia Agreement. Accordingly, the Company will not receive any funds for the issue of Shares.

(e) **Purpose of issue and use of funds raised**

As described above, Shares are being issued to Sequoia pursuant to the terms of engagement under the Sequoia Agreement and accordingly, no funds will be raised from this issue.

(f) **Summary of terms of Sequoia Agreement**

The material terms of the Sequoia Agreement are set out in the Company’s announcement to ASX dated Thursday, 30th April 2020 entitled “Capital Raising – Additional Information”.

5.4 **Directors’ recommendation**

The Directors unanimously recommend that Shareholders vote in favour of Resolution 4 as it will refresh the Company’s issuing capacity under Listing Rule 7.1 and give the Company the flexibility to raise additional working capital through the offer and issue of equity securities, if and as required. It will also enable to Company to satisfy its obligations under the Sequoia Agreement with the issue of Shares instead of cash which can be directed toward its continuing projects and working capital.

6. Resolution 5: Re-approval of Employee Incentive Plan

6.1 Background

Resolution 5 seeks Shareholder approval for the re-approval of the Company's employee incentive plan (**Employee Incentive Plan** or **Plan**) in accordance with ASX Listing Rule 7.2 Exception 13(b).

The Company's Employee Incentive Plan was most recently approved by Shareholders at the Company's annual general meeting on 30 November 2017. In accordance with ASX Listing Rule 7.2 Exception 13, the Company is now seeking re-approval of the Plan.

Pursuant to the Employee Incentive Plan, the Board may grant any of the following incentives to the persons described in Section 6.7(a) below, in accordance with the Rules and otherwise on terms and conditions set by the Board at its discretion:

- (a) Options to subscribe for Shares;
- (b) Performance Rights entitling the holder to be issued Shares; and
- (c) Share Appreciation Rights entitling the holder to be issued with Shares or a cash amount of equivalent value at the Board's discretion.

A full copy of the Employee Incentive Plan is available at the Company's registered office during normal business hours.

6.2 Terms of the Plan

A summary of the terms of the Employee Incentive Plan is set out in Section 6.7 below.

6.3 Maximum number of securities proposed to be issued

The maximum number of securities proposed to be issued under the Employee Incentive Plan within the three-year period from the date of the passing of Resolution 5 is 24,521,430 Equity Securities, representing 5% of the undiluted Shares in the Company as at December 2020. The maximum number is not intended to be a prediction of the actual number of securities to be issued under the Employee Incentive Plan, simply a ceiling for the purposes of Listing Rule 7.2 Exception 13(b).

6.4 Securities issued under the Employee Incentive Plan

As at 1 December 2020, there have been no equity securities issued under the proposed Employee Incentive Plan.

It is anticipated however, that subject to Shareholder approval of this Resolution 5, the Company proposes to issue the following Equity Securities under the Plan to the parties below:

- (a) Mr Bruce McCracken – Consultant to the Company – 2,125,000 Options;
- (b) Mr Giuseppe Di Franco – Chief Technology Officer of the Company's subsidiary AssetOwl Technologies Pty Ltd – 6,000,000 Options;
- (c) Mr Sean Meakin – Company Secretary – 2,250,000 Options;
- (d) Mr Simon Trevisan – a total of 6,000,000 Options - the subject of Resolution 7(a);
- (e) Mr Andrew Lane – a total of 3,750,000 Options – the subject of Resolution 7(b); and
- (f) Mr Geoff Baldwin – a total of 4,250,000 – the subject of Resolution 7(c).

Subject to Shareholder approval of Resolutions 5, 6(a), 6(b) and 6(c), it is anticipated that the Company will issue 24,375,000 Equity Securities pursuant to the Employee Incentive Plan out of a maximum 24,521,430 Equity Securities, being the total amount of Equity Securities the Company is permitted to issue under the Employee Incentive Plan.

This will result in the Company only being able to issue a further 146,430 Equity Securities pursuant to the Employee Incentive Plan following the grant of securities contemplated by Resolutions 5, 6(a), 6(b) and 6(c),

6.5 Previous issues under the Employee Incentive Plan

Since first obtaining Shareholder approval of the Employee Incentive Plan at the Company's 2017 annual general meeting, no equity securities have been issued under the Plan to date.

6.6 Applicable ASX Listing Rules

Listing Rule 7.1 limits the number of securities a listed company may issue in any 12 month period without shareholder approval. However, securities issued pursuant to an exception to Listing Rule 7.1 are not counted for the purposes of the limit.

Listing Rule 7.2 Exception 13(b) provides that Shareholders may approve the issue of Equity Securities under an employee incentive scheme as an exception to Listing Rule 7.1. If such approval is obtained, Listing Rule 7.1 does not apply to an issue of Equity Securities in the Company made under an employee incentive scheme within three years of the approval.

If Shareholder approval is granted in respect of Resolution 5, the Company will be able to issue equity securities under the Plan without further Shareholder approval and without those securities being included in the calculation of the Company's 15% placement capacity under Listing Rule 7.1 for a period of 3 years from the date Resolution 6 is passed.

If Shareholder approval is not granted in respect of Resolution 5, future grants of equity securities under the Employee Incentive Plan will be included in the calculation of the Company's 15% placement capacity under Listing Rule 7.1.

If Shareholder approval is not granted in respect of Resolution 5 the Board may need to consider alternative remuneration arrangements which are consistent with the Company's remuneration principles, including providing an equivalent cash long term incentive subject to the risk of forfeiture, performance conditions and performance period.

6.7 Summary of the Employee Incentive Plan

(a) Eligibility

The following persons can participate in the Employee Incentive Plan if the Board makes them an offer to do so:

- (i) a full-time or part-time employee, including an executive and non-executive Director of the Company or its related bodies corporate;
- (ii) a contractor of the Company or its related bodies corporate; and
- (iii) a casual employee of the Company or its related bodies corporate where the employee or contractor is, or might reasonably be expected to be, engaged to work the pro-rata equivalent of 40% or more of a comparable full-time position.

(b) Board discretions

The Board has broad discretions under the Employee Incentive Plan, including (without limitation) as to:

- (i) the timing of making an offer to participate in the Employee Incentive Plan;
- (ii) identifying persons eligible to participate in the Employee Incentive Plan;
- (iii) the terms of issue of Options, Performance Rights and Share Appreciation Rights (**Awards**) (including vesting conditions, performance hurdles and exercise conditions if any); and

(iv) the periods during which Awards may be exercised.

(c) **5% Limit**

The Plan has been prepared to comply with ASIC Class Order [CO 14/1000] and as such, offers under the Plan are limited to the 5% capital limit set out in that Class Order.

(d) **Exercise price**

The Exercise Price of an Award shall be the price determined by the Board in its absolute discretion prior to or on grant of the Award.

(e) **Awards not to be quoted**

The Awards will not be quoted on the ASX. However, application will be made to the ASX for official quotation of Shares issued on the exercise of Awards, if the Shares are listed on the ASX at that time.

(f) **Shares issued on exercise of Awards**

(i) Subject to any applicable vesting conditions, performance hurdles and exercise conditions:

A. each Option entitles the holder to subscribe for and be issued with one Share;

B. each Performance Right entitles the holder to subscribe for and be issued with one Share; and

C. each Share Appreciation Right entitles the holder to subscribe for and be issued with one Share, or a cash amount of an equivalent value, as determined by the Board in its sole and absolute discretion.

(ii) Shares issued pursuant to the exercise of Awards will in all respects rank equally and carry the same rights and entitlements as other Shares on issue.

(iii) Holders of Awards have no rights to vote at meetings of the Company or receive dividends until Shares are allotted on the exercise of Awards pursuant to the Employee Incentive Plan.

(g) **Lapse of Awards**

Unless the Directors in their absolute discretion determine otherwise, Awards will automatically lapse and be forfeited if, prior to the satisfaction of an exercise condition or vesting condition:

(i) the holder resigns employment or terminates engagement with the Company;

(ii) the holder is dismissed from employment or engagement with the Company for:

A. material breach of contract or negligence;

B. conduct justifying termination without notice;

(iii) the holder ceases employment or engagement with the Company and breaches any post-termination restraint;

(iv) the holder is ineligible to hold his or her office pursuant to the Corporations Act; or

(v) any performance milestones applicable to the Awards are not satisfied – if a portion are satisfied, then a proportionate number of Awards may continue at the Board's discretion.

Awards will not lapse and be forfeited if the holder ceases employment or engagement with the Company:

- (vi) due to:
 - C. death or permanent disablement;
 - D. retirement; or
 - E. redundancy; or
- (vii) where the Board determines that the Awards continue.

(h) **Restrictions on exercise**

An Award holder is not able to sell, transfer, mortgage, pledge, charge, grant security over or otherwise dispose of any Awards, or agree to do any of those things without the prior consent of the Board or unless such disposal is required by law.

(i) **Participation rights of Award holders**

- (i) Holders of Options and Performance Rights will only be permitted to participate in an issue of new Shares by the Company if they exercise their Options or Performance Rights (as applicable) before the record date for the relevant issue. The Company must ensure that, for the purposes of determining entitlements to any such issue, the record date will be at least 7 Business Days after the issue of new Shares is announced. This will give Option holders and Performance Right holders the opportunity to exercise their Options or Performance Rights prior to the date for determining entitlements to participate in any such issue.
- (ii) Holders of Share Appreciation Rights are not permitted to participate in an issue of new Shares by the Company.

(j) **Adjustment of Awards**

- (i) If the Company makes a pro rata bonus issue, and an Option or Performance Right is not exercised before the record date for that bonus issue, then on exercise of the Option or Performance Right (as applicable), the holder is entitled to receive the number of bonus shares which would have been issued if the Option or Performance Right had been exercised before the record date.
- (ii) In the event of a reorganisation (including a consolidation, subdivision, reduction or return) of the issued capital of the Company, the number of Awards to which each Award holder is entitled or the exercise price or both will be changed in the manner required by the Listing Rules and, in any case, in a manner which will not result in any benefits being conferred on holders of Awards which are not conferred on Shareholders.

(k) **Takeovers**

In the event of a takeover bid, certain capital reorganisations or transactions occurring that give rise to certain changes of control of the Company, restrictions on the exercise of an Award may lapse so that Award holders are able to participate in the relevant transaction.

(l) **Amending the Employee Incentive Plan**

Subject to and in accordance with the Listing Rules, the Board (without the necessity of obtaining prior or subsequent consent of Shareholders) may from time to time amend all or any provisions of the Employee Incentive Plan.

6.8 Directors' recommendation

The Directors decline to make a recommendation on how Shareholders should vote in respect of Resolution 5 as they are each entitled to participate in the Employee Incentive Plan.

7. Resolutions 6(a), 6(b), and 6(c) – Approval to issue Options to Directors under the Employee Incentive Plan

7.1 Background

Subject to Shareholder approval being obtained for Resolution 5 (Employee Incentive Plan), the Company proposes to grant Options to each of its Directors, Messrs Simon Trevisan, Andrew Lane and Geoff Baldwin, under the Employee Incentive Plan to incentivise their performance as Directors of the Company.

Options are proposed to be issued in three tranches to each Director in the proportions set out in the table below.

Director	Option Tranche	Amount	Vesting date	Exercise price	Expiry
Simon Trevisan	Tranche 1	3,000,000 Options	Immediately	\$0.01	31 Dec 2023
	Tranche 2	1,500,000 Options	12 months from grant	\$0.016	31 Dec 2024
	Tranche 3	1,500,000 Options	24 months from grant	\$0.024	31 Dec 2025
	Total	6,000,000 Options			
Andrew Lane	Tranche 1	1,875,000 Options	Immediately	\$0.01	31 Dec 2023
	Tranche 2	937,500 Options	12 months from grant	\$0.016	31 Dec 2024
	Tranche 3	937,500 Options	24 months from grant	\$0.024	31 Dec 2025
	Total	3,750,000 Options			
Geoff Baldwin	Tranche 1	2,125,000 Options	Immediately	\$0.01	31 Dec 2023
	Tranche 2	1,062,500 Options	12 months from grant	\$0.016	31 Dec 2024
	Tranche 3	1,062,500 Options	24 months from grant	\$0.024	31 Dec 2025
	Total	4,250,000 Options			

7.2 Section 195(1) of the Corporations Act

Section 195(1) of the Corporations Act provides that a director who has a “material personal interest” in a matter being considered at a director’s meeting must not be present while the matter is being considered or vote on the matter.

Section 195(4) of the Corporations Act provides that where there are insufficient directors to form a quorum at a directors’ meeting because of section 195(1), the directors may call a general meeting of shareholders to consider the matter.

The Directors are unable to form a quorum to consider any matters relating to the grant of Options under Resolutions 6(a) to 6(c), as Messrs Trevisan, Lane and Baldwin, being all of the Directors of the Company, have a material personal interest in the outcome of the Resolutions. Therefore, the Company is seeking approval under section 195(4) of the Corporations Act to deal with the matter.

7.3 Chapter 2E of the Corporations Act

Section 208 of the Corporations Act provides that a public company, or an entity that the public company controls, to give a financial benefit to a related party of the public company, the public company or entity must:

- obtain the approval of the public company's members in the manner set out in sections 217 to 227 of the Corporations Act; and
- give the benefit within 15 months following such approval,

unless the giving of the financial benefit falls within an exception set out in sections 210 to 216 of the Corporations Act.

The proposed grant of Options to the Directors (or their nominees), as contemplated by Resolutions 6(a), 6(b) and 6(c), constitutes the giving a financial benefit for the purposes of the Corporations Act, and to each of Messrs Trevisan, Lane and Baldwin respectively, as Related Parties of the Company.

Accordingly, Shareholder approval is sought for the purposes of section 208 of the Corporations Act.

7.4 Listing Rule 10.14

Listing Rule 10.14 provides that a listed company must not permit any of the following persons to acquire equity securities under an employee incentive scheme:

- 10.14.1 – a director of the company;
- 10.14.2 – an associate of a director of the company; or
- 10.14.3 – a person whose relationship with the company or a person referred to in Listing Rule 10.14.1 or 10.14.2 is such that, in ASX's opinion, the acquisition should be approved by its shareholders,

unless it obtains the approval of its shareholders.

The proposed grant of Options to Directors under Resolutions 6(a), 6(b) and 6(c) falls within Listing Rule 10.14.1 above and therefore requires the approval of the Company's Shareholders under Listing Rule 10.14.

Resolutions 6(a), 6(b) and 6(c) seek the required shareholder approval to grant Options under the Employee Incentive Scheme under and for the purposes of Listing Rule 10.14.

If Resolutions 6(a), 6(b) and 6(c) are passed, the Company will be able to proceed with the issue of Options to the Directors under the Employee Incentive Plan and link the performance of the Directors with the Company's share price.

If Resolutions 6(a), 6(b) and 6(c) are not passed, the Company will not be able to proceed with the issue of Options to the Directors under the Employee Incentive Plan. In this eventuality, the Company may need to incentivise its Directors through alternative means like cash payments, which could otherwise be directed toward its current projects.

7.5 Corporations Act information requirements

Section 219 of the Corporations Act requires that the following information be provided to Shareholders in relation to Resolutions 6(a), 6(b) and 6(c) for the purposes of obtaining approval under Section 208 of the Corporations Act:

(a) Names of the Related Party

The names of the Related Parties are:

- (i) in respect of Resolution 6(a) – Simon Trevisan (Chairman of the Company) or his nominee;

- (ii) in respect of Resolution 6(b) – Andrew Lane (Non-executive Director of the Company) or his nominee; and
- (iii) in respect of Resolution 6(c) – Geoff Baldwin (Non-executive Director of the Company) or his nominee.

(b) **Nature of the financial benefit**

The nature of financial benefit that will be given to the Directors (or their nominees) of the Company if Resolutions 6(a), 6(b) and 6(c) are approved is the issue of a total of 14,000,000 Options in the proportions set out in the table set out in Section 7.1 above.

(c) **Value of the financial benefit**

A valuation of the Options was conducted by the Company which applied the Black-Scholes option pricing model (**Black-Scholes Model**).

The Black-Scholes Model is based on a number of assumptions and variables, including the following:

- (i) the exercise price for:
 - A. Tranche 1 Options - \$0.010;
 - B. Tranche 2 Options - \$0.016; and
 - C. Tranche 3 Options - \$0.024;
- (ii) an expiry date of:
 - A. in respect of Tranche 1 Options – 31 December 2023;
 - B. in respect of Tranche 2 Options – 31 December 2024; and
 - C. in respect of Tranche 3 Options – 31 December 2025,

it is assumed that Options will be exercised immediately prior to the expiry date;
- (iii) the closing price of Shares traded on ASX on 22 December 2020 was \$0.007;
- (iv) a risk-free rate of 0.14% in respect of Tranche 1 and 0.29% in respect of Tranche 2 and 3 has been adopted;
- (v) a dividend yield rate of 0% has been adopted for all three Tranches; and
- (vi) a volatility factor of 100% has been adopted for all three Tranches.

The table below sets out the estimated value of Options and the estimated financial benefit to be received by the Directors, applying the above valuation, as at the date of the Notice of Meeting.

Related Party	Tranche	Individual value	Number of Director Options	Total value
Simon Trevisan	Tranche 1	\$0.0046	3,000,000 Options	\$13,902
	Tranche 2	\$0.0046	1,500,000 Options	\$6,906
	Tranche 3	\$0.0047	1,500,000 Options	\$6,998
Andrew Lane	Tranche 1	\$0.0046	1,875,000 Options	\$8,689
	Tranche 2	\$0.0046	937,500 Options	\$4,316
	Tranche 3	\$0.0047	937,500 Options	\$4,373

Geoff Baldwin	Tranche 1	\$0.0046	2,125,000 Options	\$9,847
	Tranche 2	\$0.0046	1,062,500 Options	\$4,892
	Tranche 3	\$0.0047	1,062,500 Options	\$4,957

The value of the Options for the Company's accounting purposes will be determined at the time the Options are granted. The value will be directly related to the closing price of Shares traded on the ASX for AO1 on the day of the meeting, or if no Shares are traded on that day, the price at which the Company's shares most recently traded before that day.

Accordingly, the value of the Options issued to the Directors may differ from the value stated above.

(d) **Remuneration of the Directors**

The table below sets out the total remuneration paid or payable to Messrs Trevisan, Lane and Baldwin, for the last financial year and the proposed total remuneration for the current financial year, including superannuation entitlements.

(g) **Dilution**

If Resolutions 6(a), 6(b) and 6(c) are approved, a total of 14,000,000 Options will be granted to Directors Messrs Trevisan, Lane and Baldwin (or their nominees). The offer of these Options will not result in a dilution to the shareholding interests of existing Shareholders.

However, assuming the maximum of 14,000,000 Options are exercised into the corresponding number of Shares, existing Shareholder's shareholdings will be diluted by approximately 2.77%.

Note that Options are likely to only be exercised when the share price of the Company is higher than the exercise price of the Option.

(h) **Trading history**

The most recent available data concerning the price of the Company's Shares traded on ASX since 22 December 2019 (i.e. approximately 12 months from the Notice date) is summarised in the table below.

	High	Low	Last
Price	\$0.015	\$0.003	\$0.007
Date	8 April 2020	24 March 2020	22 December 2020

(i) **Funds raised**

No funds will be raised by the issue of Options to the Directors (or their nominees), however, in the event the Options are exercised, the Company will raise the following:

Tranche 1	\$70,000
Tranche 2	\$56,000
Tranche 3	\$84,000

The figures in the table above assume the Options are exercised prior to their respective expiry dates. An Option will lapse if not exercised prior to expiry.

(j) **Directors' interests in the proposed resolution**

Simon Trevisan has a material personal interest in the outcome of Resolution 6(a) and will be the only Director to receive a benefit from that Resolution.

Andrew Lane has a material personal interest in the outcome of Resolution 6(b) and will be the only Director to receive a benefit from that Resolution.

Geoff Baldwin has a material personal interest in the outcome of Resolution 6(c) and will be the only Director to receive a benefit from that Resolution.

8. Resolution 7: Approval to amend Constitution

8.1 Background

On 1 December 2019, changes to ASX Listing Rules came into effect which required that listed entities, i.e. the Company, with restricted securities currently on issue or who may issue restricted securities at some future time, amend their constitutions to align with the Listing Rule amendments concerning restricted securities as set out in Section 8.3 below.

Resolution 7 seeks Shareholder approval to amend, replace and delete various provisions in the Company's Constitution as set out in Schedule 1 to address the proposed changes to the ASX Listing Rules and to correct some drafting errors in the Constitution.

Resolution 7 is a special resolution. To be passed, it must be approved by at least 75% of the votes cast by Shareholders entitled to vote on the Resolution.

8.2 Corporations Act requirements

Section 136(2) of the Corporations Act provides that a company may modify its constitution by special resolution.

8.3 Listing Rule requirements

ASX Listing Rule 15.12 requires a listed entity's constitution to include provisions relating to:

- (b) management by the Company of disposal of restricted securities by restricted security holders, unless permitted by ASX or the Listing Rules;
- (c) holders of restricted securities signing an escrow deed agreeing that restricted securities have a holding lock applied and are held on the entity's issuer sponsored sub-register for the duration of the applicable escrow period;
- (d) an entity refusing to acknowledge or action transfers or disposal of restricted securities during the applicable escrow period, subject to any permission from ASX or the Listing Rules;
- (e) a holder or restricted securities not being entitled to participate in any return of capital on restricted securities during the applicable escrow period except as permitted by ASX or the Listing Rules; and
- (f) if a holder of restricted securities breaches any escrow deed in place during the applicable escrow period, the holder will not be entitled to any dividend or distribution, or to exercise any voting rights, in respect of those securities for so long as the breach continues.

The proposed amendments to the Constitution set out in Schedule 1 address these matters.

8.4 Directors' recommendation

For the reasons outlined above, the Board unanimously recommends that Shareholders vote in favour of Resolution 7 to ensure the Company's constitution is consistent with the requirements of the Listing Rules.

9. Resolution 8: Approval of Additional Placement Facility

9.1 Background

Broadly speaking, and subject to a number of exceptions, Listing Rule 7.1 limits the amount of equity securities that a listed company can issue without the approval of its shareholders over any 12-month period to 15% of the fully paid ordinary shares it had on issue at the start of that period.

Under Listing Rule 7.1A, however, an eligible entity can seek approval from its members, by way of special resolution passed at its annual general meeting, to increase this 15% limit by an extra 10% to 25% (**7.1A Mandate**).

An 'eligible entity' means an entity which is not included in the S&P/ASX 300 Index and which has a market capitalisation of \$300 million or less. The Company is an eligible entity for these purposes.

Resolution 8 seeks shareholder approval by way of special resolution for the Company to have the additional 10% capacity provided for in Listing Rule 7.1A to issue equity securities without shareholder approval.

A special resolution requires approval by 75% or more of votes attaching to Shares held by Shareholders who are eligible to vote on this Resolution.

If Resolution 8 is passed, the Company will be able to issue equity securities up to the combined 25% limit in Listing Rules 7.1 and 7.1A without any further shareholder approval.

If Resolution 8 is not passed, the Company will not be able to access the additional 10% capacity to issue equity securities without shareholder approval provided for in Listing Rule 7.1A and will remain

subject to the 15% limit on issuing equity securities without shareholder approval set out in Listing Rule 7.1.

9.2 Technical information requirements of Listing Rule 7.1A

Pursuant to and in accordance with ASX Listing Rule 7.3A, the information below is provided in relation to this Resolution 8:

(a) Period for which the 7.1A Mandate is valid

The 7.1A Mandate will commence on the date of the Meeting and expire on the first to occur of the following:

- (i) the date that is 12 months after the date of this Meeting;
- (ii) the time and date of the Company's next annual general meeting; and
- (iii) the time and date of approval by Shareholders of any transaction under Listing Rule 11.1.2 (a significant change in the nature or scale of activities) or Listing Rule 11.2 (disposal of the main undertaking).

(b) Minimum price

Any equity securities issued under the 7.1A Mandate must be in an existing quoted class of equity securities and be issued at a minimum price of 75% of the volume weighted average price of equity securities in that class, calculated over 15 trading days on which trades in that class were recorded immediately before:

- (i) the date on which the price at which the Equity Securities are to be issued is agreed by the entity and the recipient of the equity securities; or
- (iv) if the Equity Securities are not issued within 10 trading days of the date in Section 9.2(b)(i), the date on which the Equity Securities are issued.

(c) Use of funds raised under the 7.1A Mandate

A requirement of the 7.1A Mandate is that any proposed issue of equity securities must be for cash consideration.

The Company may seek to issue equity securities under the 7.1A Mandate to fund business growth, to acquire new assets or make investments, to develop the Company's existing assets and operations and for general working capital.

(d) Risk of economic and voting dilution

Shareholders should note that, when issuing equity securities under the 7.1A Mandate, there is a risk that:

- (i) the market price for the Company's Shares may be significantly lower on the date of issue than on the date of the Meeting; and
- (ii) the Shares may be issued at a price that is at a discount to the market price for those Shares on the date of issue.

Any issue of equity securities under the 7.1A Mandate will dilute the interests of Shareholders who do not receive any Shares under the issue.

If Resolution 8 is approved by Shareholders and the Company issues the maximum number of Equity Securities available under the 7.1A Mandate, the economic and voting dilution of existing Shares would be as shown in the table below.

Variable A in Listing Rule 7.1A		Nominal issue price		
		\$0.007 (market price)	\$0.0053 (25% decrease in market price)	\$0.0035 (50% decrease in market price)
Current issued capital A = 490,428,617 Shares	Shares issued under LR 7.1A	49,042,861	49,042,861	49,042,861
	Voting dilution	10%	10%	10%
	Funds raised	\$343,300	\$257,475	\$171,650
	Economic dilution	0%	2.27%	4.55%
50% increase in issued capital A = 735,642,925 Shares	Shares issued under LR 7.1A	73,564,292	73,564,292	73,564,292
	Voting dilution	10%	10%	10%
	Funds raised	\$514,950	\$386,213	\$257,475
	Economic dilution	0%	2.27%	4.55%
100% increase in issued capital A = 980,857,234 Shares	Shares issued under LR 7.1A	98,085,723	98,085,723	98,085,723
	Voting dilution	10%	10%	10%
	Funds raised	\$686,600	\$514,950	\$343,300
	Economic dilution	0%	2.27%	4.55%

* The number of Shares on issue (variable A in the formula) could increase as a result of the issue of Shares that do not require Shareholder approval (such as under a pro-rata rights issue or scrip issued under a takeover offer) or that are issued with Shareholder approval under Listing Rule 7.1.

The above table has been prepared on the following assumptions:

- the current Variable A set out in the table above is based on the number of Shares on issue at 22 December 2020, being 490,428,617 Shares.
- the latest available market price of Shares, being the closing price as at 22 December 2020, is \$0.007;
- the Company issues the maximum number of Equity Securities available under the Additional Placement Facility;
- the Company has not issued any Equity Securities in the 12 months prior to the Meeting that were not issued under an exception in ASX Listing Rule 7.2 or with approval under ASX Listing Rule 7.1 and Rule 7.1A, or subsequently ratified under Listing Rule 7.4 at this Meeting;
- the issue of Equity Securities under the Additional Placement Capacity consists only of Shares. It is assumed that no Options are exercised into Shares before the date of issue of the Equity Securities;
- the calculations do not show the dilution that any one particular Shareholder will be subject to; all Shareholders should consider the dilution caused to their own shareholding depending upon their specific circumstances;
- the 10% voting dilution reflects the aggregate percentage dilution against the issued Share capital at the time of issue; accordingly, the voting dilution is shown in each example as 10%; and
- the table does not show an example of dilution that may be caused to a particular Shareholder by reason of placements under the 10% Placement Capacity, based on that Shareholder's holding at the date of the Meeting.

(e) **Allotment under the 7.1A Mandate**

The recipients of the Equity Securities to be issued under the 7.1A Mandate have not yet been determined. However, such recipients of Equity Securities could consist of current Shareholders or new investors (or both), none of whom will be related parties of the Company.

The Company will determine the recipients at the time of issue pursuant to the 7.1A Mandate with regard to the following:

- (i) the purpose of the issue;
 - (ii) alternative methods for raising funds available to the Company at that time, including, but not limited to, an entitlement issue or other offer where existing Shareholders may participate;
 - (iii) the effect of the issue of the Equity Securities on the control of the Company;
 - (iv) the circumstances of the Company, including, but not limited to, the financial position and solvency of the Company;
 - (v) prevailing market conditions; and
 - (vi) advice from corporate, financial and broking advisers (if applicable).
- (f) **Issues under Listing Rule 7.1A in the 12 months preceding date of the Meeting**

The Company has not issued Shares pursuant to Listing Rule 7.1A in the 12 months preceding the date of the Meeting.

(g) **Voting exclusion**

A voting exclusion statement is included in this Notice. As at the date of this Notice, the Company has not invited any existing Shareholder to participate in an issue of Equity Securities under ASX Listing Rule 7.1A. Therefore, no existing Shareholders will be excluded from voting on Resolution 8.

9.3 Directors' recommendation

The Directors unanimously recommend that Shareholders vote in favour of Resolution 8 as it will give the Company the flexibility to raise and fund necessary working capital whilst preserving the Company's cash reserves.
