**About AssetOwl Limited (ASX: AO1):**

AssetOwl is an innovative technology company which has developed an enterprise software application, providing real estate owners with one trusted platform for managing properties remotely.

Inspector360 is the revolutionary next generation of AssetOwl's photo-centric property management platform, designed to benefit property owners, tenants, agents and managers. It builds on AssetOwl's existing residential inspection software, InspectorAsset, which uses virtual reality technology to create an internal view of a property to assist all stakeholders before, during and at the conclusion of a tenancy.

Inspector360 incorporates 360-degree imagery, video, voice-to-text and hot-spot mapping of floor plans to accurately document property condition reports, significantly boosting the efficiency of the inspection process.
