

The Advisory Committee will include five members: Simon Cass, Provincial Coach, Bo Hedges, BCWBS Board Chair, Marni Abbott-Peter, Let's Play Director, Orion Ng along with one other designated BCWBS board member.

Advisory Committee Objective:

To review and approve BCWBS Club and/or individual BCWBS members Return To Sport plans prior to them initiating any on court programs, training or competitions. Non-compliance will be a breach of BCWBS policy, liability insurance will not be valid, membership may be revoked and further action could be recommended by the BCWBS Board.

Advisory Committee Process:

1. Each committee member will review the submission individually
2. The group will discuss each submission via e-mail or Zoom
3. The committee will aim to review and approve submitted plans within one week of receiving them.
4. If there are any issues that the committee cannot resolve or that the club reps disagree with, the matter will be presented to the BCWBS Board of Directors for further review.

Steps for BCWBS Approval:

1. Complete Club Risk Assessment/Mitigation Tool
2. Determine requirements and protocol for each facility to be used
3. Create club specific plan to mitigate risk and meet facility protocol.
4. Submit club plan to BCWBS Advisory Committee Chair Simon Cass (simon@bcwbs.ca) a **minimum one week prior to program start date**, however where possible we recommend a two week window in case any revisions to the plan are required, we do not want to delay the program start date.
5. Committee will review plans, suggest revisions or additions then approve plans.
6. Clubs submit plan to facility, along with BCWBS Return To Sport Plan. Once accepted play can resume under current BCWBS Back to Basketball Phase guidelines.

Note: Facility protocol and BCWBS protocol may vary, the stricter protocol will need to be adhered to.

BCWBS Club Plans Should Include:

BCWBS Back to Basketball - Return to Sport Plan
Facility specific protocol
Updated Emergency Action Plan
Participant/Coach Daily Health Attestation
COVID 19 Event Waiver Form (one per program or event)
