

## **Stone Fabrication Operator II - IV**

We are currently seeking to hire an experienced stone fabricator to join our team! You will work to create unique, custom countertops, backsplashes and other stone slab products. We are seeking candidates with a strong attention to detail who enjoy working with their hands. Prior experience in a stone fabrication shop is required.

### Qualifications (Required):

- Experience as a stone fabricator, including polishing, laminating, and other finish work
- Ability to stand for a 10 hour shift, excluding breaks (4 days/week work schedule)
- Ability to interpret specification sheets
- Possession of a valid driver's license
- Ability to lift 60 lbs

### Qualifications (Preferred):

- Experience and/or certification as a forklift operator
- Experience with CNC stone milling
- Experience with stone bridge saws

Montana Tile & Stone is an Equal Opportunity Employer.
