

# ROAD HAZARD WARRANTY PROGRAM

## WHAT IS ROAD HAZARD DAMAGE?

Most tire manufacturers offer warranties on tires due to defects during the manufacturing process. At COSMO tires we take it a step further. Road hazard damage occurs when a tire fails as a result of a puncture, bruise or impact break incurred during the course of normal driving conditions on a road maintained by federal, state and/or local authorities.

## OUR ROAD HAZARD PROGRAM

The Road Hazard Warranty covers the first 25% of the tire's tread life or 1 year from date of purchase, whichever comes first. (Note: The 25% is based on the amount of 32nds remaining on the tire)

If a tire becomes unserviceable because of a road hazard damage during the valid date period and/or the usable tread life of the tire falls within the 25% of tread life, it will be replaced with a new tire. An exact make/model replacement tire will be provided, if available. In the event the exact make/model is not in stock or discontinued, a comparable quality tire will be provided. You shall still be responsible for any shipping charges, taxes, mounting, balancing and any other miscellaneous fees of the replacement unit being provided.
