First Nation

Dear Chief and Council,

Re: USKE INVITATION TO JOIN

---

On behalf of Manitoba Uske Land Managers Association, we would like to extend an invitation to your First Nation to join our Land Managers Association. There are currently 34 First Nations affiliated with Manitoba Uske, all working under the different stages of land regimes.

Manitoba Uske operates as a technical management body, and we provide capacity building, training and expertise, in the area of land management for First Nations. We work in partnership and collaboration with our Head Office, the National Aboriginal Land Managers Association.

We are a federally funded organization aimed at developing, on-going communication and networking amongst First Nation Lands Managers in Manitoba, and across Canada.

Our association hosts various meetings throughout the year on a variety of lands related topics. All travel costs are covered for one First Nation Land Manager/representative, to attend and participate, once their First Nation joins Uske. Uske encourages that all information presented at our meetings be shared with each respective First Nation and their Leadership upon return.

To become part of Manitoba Uske, we request that each First Nation submit a letter of Interest or Band Council Resolution requesting to join our association.

For more information on Manitoba Uske, please visit our website at: [www.manitobauske.ca](http://www.manitobauske.ca) or contact our office at, 204-784-9420, fax: 204-784-9422.

Sincerely,

Manitoba Uske Board
