

RATES ARE RISING. BE ABLE TO TAKE ADVANTAGE

Don't get stuck with a low rate if they rise. PFCU Certificates of Deposit allow you to raise your rate. If rates rise during the term of your CD, we allow a one-time bump of your rate. All you need to do is to contact PFCU and we will increase your rate to the current rate for your CD for the remainder of the term. A \$15 administrative fee will apply. This is our way to take some of the risk out of your investment.

TRY OUR MOBILE BANKING APP
