

# MEET UPS

## **CATCH UP**

How has your repentance prayer gone this week? Have you experienced new encounter with God as a result?

## **THIS WEEK'S PRACTICE...**

Spend some time encouraging one another to incorporate the gift of tongues into your daily prayer life. (make it a practice) hold one another to account.

Pray for those who are meeting with you, who have yet to receive this wonderful gift.

## **WEEKLY PRACTICE**

Pray in tongues in your own quiet time during this week.
