TODAY IN YOUR MEET UP

Passage Hebrews 12 v 2

Just spend some time in silence meditating on the verse and think about the joy received in Heaven when we come to him.

Ask each other what distractions are stopping us from spending more time with God?

Are there any lies from the enemy that you are believing? If so, pray through them now.

Discuss between you things that could help you grow in your relationship with Jesus, which in turn would bring him more joy.
