Lyndsey Bales
800-741-7964
lyndsey@trajecsys.com

Description:
Trajecsys (http://www.trajecsys.com) is the leading provider of Centralized Clinical Recordkeeping™ to Allied Health and Nursing programs. Trajecsys was founded in 2005 by two educators who designed an online web-based system to manage clinical recordkeeping for university and college Deans, Program Directors, Faculty, Clinical Education Staff, and Students. Our web-based, mobile-friendly technology allows students to manage their skills and activities, track clinical hours, and manage assessments/evaluations in the palm of their hands on their mobile devices. Trajecsys provides programs with the ability to quickly generate custom reports with one click from anywhere. Trajecsys has set up over 2,500 programs in over 70 modalities, including diverse programs in specialties such as nursing (CNA, ADN, VN, PN, RN, BSN, MSN), radiography, sonography, ultrasound, medical lab, medical assisting, respiratory care, surgical technology, veterinary technology, dental assistant, physical therapy assistant, and more including trades such as cosmetology, etc. We’re happy to set aside time to meet one-on-one if you prefer. Email cara@trajecsys.com to set up a time convenient for you.
