Weave Description:
Weave promotes sharing your story, providing data informed insights into student learning and outcomes to ensure academic quality. Our collaborative platform for programs, institutions, and accreditors results in a streamlined experience for everyone. We do this through the lens of accreditation, assessment, learning analytics, rubrics, curriculum mapping, program review, and strategic planning. Weave: We're in this together.
American Medical Certification Association

American Medical Certification Association (AMCA) is proud to provide national certification exams affording candidates the opportunity to excel in the allied healthcare industry.

It is AMCA’s mission to deliver high-quality certifications combined with superior customer service. AMCA has partnered with over 1600 test sites in 50 states and 22 countries. Last year alone, AMCA has supported over 17,500 healthcare facilities with verification of certifications leading to healthcare jobs.

AMCA continues to provide study materials and practice tests, job placement assistance, and instructor testing, along with comprehensive reporting and our top-quality customer service.
