

## **PERFORMANCE RIDER**

Please contact Grant Kemmerer (305)773-0489  
if there are any questions regarding this rider.

### **ARRIVAL**

If outdoor temperature is above 70F or below 50F we will need access to a minimum 30amp/220 volt electrical outlet (50 amp/220 volt preferred) to plug in support trailer to provide temp control for the animals. We will supply power cords but need service within 50' or less from the trailer. Please provide at least two stage hands for assistance in loading in and out.

### **HOTEL ACCOMMODATIONS**

We would need (2) double, non-smoking rooms (ground floor and pet friendly if possible). Hotel preferably within 25 minutes of the venue and must have a parking lot that can accommodate a truck/trailer combo of 56'. No parking garages.

### **PARKING**

We will arrive 5 hours before starting time of the show. Unloading dock area and subsequent parking would be needed for a truck/trailer combo of 56'.

### **HOSPITALITY**

We will have 3 staff members from WWOA. Water and coffee as well as a hot meal for 3 people, 3 hours before the start of the show should be provided. Sandwiches are fine in lieu of something hot if needed.

### **TICKETS**

We would need 5 complimentary tickets per show available; any unused tickets may be sold by the venue the day before the performance.

### **DRESSING ROOMS**

We would need 2 private dressing rooms close to the stage.

### **STAGE**

A stage minimum of 30' wide and 20' deep is needed, preferably no less than 3' high. If stage requirements are less please notify us of the dimensions so we can adjust if needed. We will provide a canvas backdrop which would need supported by cables from the rafters. The canvas would be 20' wide and 8' tall. We will provide carpeting 25' wide by 12' deep that would need taped down. Stage would need to be cleared of all cords and monitors. Backstage must be clear for trainers to move/shift animal crates/carriers into position. Curtains will be used to hide the entire backstage holding area from the audiences view.

### **SOUND**

We will provide a Shure wireless headset microphone, we will need one monitor backstage.

### **LIGHTING**

We will want the entire stage lit with a warm white light, no colored or spotlights would be needed.

### **MERCHANDISE SALES**

A draped table should be available in the lobby for autographs, photo and T-shirt sales following the performance.
