

**THE LONDON ORATORY SCHOOL – IN-YEAR
ADMISSIONS ARRANGEMENTS ACADEMIC YEAR 2022-2023**

Applications for In-Year admissions are made directly to the school. If a place is available and there is no waiting list, the pupil will be admitted. If more applications are received than there are places available then applications will be ranked by the Governing Body in accordance with the over-subscription criteria for the relevant age group.

For in-year admission to First to Fifth Form (Year 7 to Year 11) applications will be considered under the same Arrangements as published for Admission to First Form with the exception of the requirement to submit the e-application form to your local authority.

For In-Year admission to Junior House (Year 3 to Year 6) applications will be considered under the same Arrangements as published for Admission to Junior House.

For In-Year admission to Sixth Form (Year 12 and Year 13) applications will be considered under the same Arrangements as published for Admission to Sixth Form.

Applicants applying for an In-Year place who, in the case of there being more applicants than places Available wish to be considered against the over-subscription criteria, should submit the relevant In-Year Supplementary Information Form which is available from the school. A sample form can be viewed on the school website.

If a place cannot be offered at the time of applying for an In-Year place applicants will be offered the opportunity of being placed on the waiting list for the appropriate year group. This waiting list will be adjusted to accommodate any additional applications and will be maintained in the order of the over-subscription criteria and not in the order in which the applications are received. If a place becomes available and it is necessary to separate two otherwise equally placed candidates on the waiting list, random allocation is used as a tie-breaker; this process is administered by an independent external body.
