GRAB BARS

Signature Wave

Signature Horizon

Splash Plateau

Unique Touch Infinity

BATHROOM ACCESSORIES

Dress up your bathroom even more with matching acrylic towel bars, toilet paper holders and towel hooks available in numerous colors.

GREAT GRABZ WARDROBE

Signature Wave

The Wave is our most popular style and has been used in luxury hotels worldwide. This stylish accent is a perfect way to bring the spa feeling to your project or home bath. The Wave can be installed vertically, horizontally or anywhere in between. They come with an easy to use template, so installation is a snap.

Signature Horizon

Horizon grab bars are jewelry for the bathroom. They are our most versatile bar and come in a wide variety of lengths. The fittings can be placed anywhere along the bar making it great for remodeling and allowing you many different looks with the same bar. Get great hand holds everywhere you might need them by installing Horizon bars as towel bars, robe hooks, toilet paper holders and on tub decks.

Splash

Our Splash line is full of options. The Plateau and Peak lines of bars are ADA compliant and can hold over 250 lbs of force. These bars come in a variety of sizes, including L and U shape. Bars are available in brushed and polished stainless as well as a lovely Sure Grip texture. Custom colors are available in all the Benjamin Moore RAL colors.

Unique Touch

Welcome to the sensual and sophisticated Heritage and Infinity grab bars. The curved lines and sleek shape are the perfect addition to any chic bathroom. A beautiful palette of colors is available in both translucent and opaque acrylics (and glow in the dark). The Unique Touch bars can hold over 250 lbs of force, having the strength, stability and safety of a traditional grab bar.

Each grab bar series provides numerous color and materials options, using a similar structural design. Visit www.best-bath.com to see how nicely Great Grabz can dress up your bathroom.
