

Health & Safety Protocol - Hotel Louison -

In order to welcome you safely, we will commit ourselves to respect the guidelines and recommendations made by the local government to fight against Covid-19.

Our hygiene and safety measures :

- Intensified cleaning and disinfection processes with ozonated water* on risk areas, i.e. the hotel entrance, toilets and common areas (room keys, door handles, lift buttons, switches, counters), in order to guarantee you a safe stay.
- The equipment and reception products are systematically disinfected.

Our preventive measures :

- Disinfectant gel and disposable masks are available at reception.
- Masks must be worn at all times in the public areas of the hotel, during days and nights.
- We advise you to maintain a social distance of at least 1 meter in common areas.
- All of our staff take preventive measures seriously by washing their hands regularly, wearing masks at all times and promoting social distancing within the establishment.
- The rooms and common areas are widely aired every day.

**Ozonated water is a recognised solution for disinfecting and purifying air and surfaces without chemicals.*
