Joint Message From Our Diversity Committee Co-Chairs

As we returned to a more regular rhythm of in-person engagement in 2023, Cadwalader's Center for Diversity and Inclusion led the way, organizing and hosting a wide array of events for our community – colleagues, clients and allies who share our values and steadfast commitment to fostering an inclusive workplace where everyone belongs and everyone can thrive. As the pages that follow illustrate, we are incredibly grateful for the opportunities to learn from one another and share diverse perspectives on work and life.

While educational and social programs are a key component to our efforts, we remain focused on the core tenets of Cadwalader's commitment to diversity, equity and inclusion. Our six affinity networks continued their critical work of providing forums for members to discuss and share top-of-mind information, and to promote mentorship, leadership, advocacy, and personal and professional growth. We have enhanced our career development initiatives for diverse associates at different stages of their career to ensure they are in a position to have the best possible experience as a Cadwalader lawyer.

This inclusivity cannot prosper without true allyship; we continued to recognize our Firm's Diversity Champions who "walk the talk" by showing exemplary commitment to and participation in our activities. And through our Supplier Diversity Program, we have remained dedicated to partnering with diverse businesses to advance our operational goals.

To everyone who has contributed their time and insights to the Firm's diversity efforts over the past year, we thank you for your presence, hard work and dedication. There are many more exciting things to come in 2024 at Cadwalader, and we look forward to sharing these experiences with you.
