1/2 OFF REPLACEMENT PROGRAM

Higher Ground products are built to last. However, with all things in life, they too will eventually age and wear. As a show of our deep appreciation for our customers, Higher Ground offers a "1/2 off replacement program" for worn items within 5 years of purchase (proof of purchase is required). The original purchaser will receive 50% off MSRP (sales, discounts, coupons are excluded) for the same or comparable case along with \$5 flat rate shipping charge per item (bulk shipments will be reduced/ actual cost). This offer is currently available only through Higher Ground directly and may not be combined with any sale or additional discount.
