

MADEC is committed to providing quality supports and going above and beyond when supporting our participants. We proudly extend charitable goodness and wherever possible provide resources to assist our participants in living their best life.

To ensure that we can continue to assist our community, MADEC charges TTP in association with some of our NDIS Services. TTP is a Temporary Transition Payment that is made available to providers and assists us with the additional costs associated with transitioning to the National Disability Insurance Scheme.

Please find a summary of our current pricing below. These prices are correct as of 1st July 2020.
