

ChMS

Built to make your church thrive.

Tithe.ly ChMS helps you engage and grow your community, streamline administrative tasks, and equip your team to steward the resources God has entrusted you with.

Top six reasons why you'll love Tithe.ly ChMS:

01. Tithe.ly ChMS is an all-in-one, easy-to-use solution

Get all of our existing and future features out of the box. No need to pay more for additional features or more users.

02. Simple and cost effective prices

We only charge for active adults. That's it. No setup or termination fees, and no lock-in contracts.

03. World-Class customer support

When you sign up for a great product, you expect to get great customer service. This is why we have dedicated Customer Experience Specialists to serve you.

04. Better Privacy Protection

Privacy and security of data is vital, especially when it comes to storing personal data. With servers based in Australia, Europe, and the United States, Tithe.ly keeps your data closer to home and offers better privacy of your data.

05. Global Servers for faster access

We have servers strategically located across the globe, meaning each click or page load doesn't have data traveling around the world and back to you, saving you seconds per click and hours of productivity each year.

06. We support small, medium and large churches

Tithe.ly ChMS grows with your church at no additional cost. It includes powerful customization to allow any church of any size to use effectively. We are constantly making improvements and adding features to help make your church life better.

The features you need to successfully manage, grow, communicate with, and lead your church. See your church's spiritual health at the big picture and member-specific levels.

People and member management

Manage membership, communicate with your congregation, follow up with first-time guests, and much more.

Automated workflow

Create and leverage flows to ensure important tasks are completed so nothing and no one falls through the cracks.

Group management

Tithe.ly ChMS makes it easy for you and your leaders to manage, coordinate, communicate with, and care for your small groups.

Integrated digital giving

Mobile, text, and online giving tools come out-of-the box and enable your members to give seamlessly from anywhere.

Service planning

Coordinate your Sunday team, plan your worship service, arrange your set list, and create plan sheets to guide your worship service experience.

Financials

Track online giving, along with cash and check gifts, generate giving reports, and easily send year-end giving statements.

Reporting and insights

Get access to reporting tools that empower you to be proactive instead of reactive.

Don't just take our word for it, see what other churches using Tithe.ly ChMS have to say ...

“We also switched to their ChMS Church Management System and the power of the platform is really exciting!”

—Clint B., Director of Church Media & Communications

“I love the powerful reporting on the back end and the seamless integration for our church management system and church app.”

—Paul I., Church Multiplication Director

“The best aspect of Tithe.ly is their active development and customer service. Whenever I have a question or run into an issue, they're quick to respond. It's not unusual to get a response late at night or on weekends.”

—Brian R., Church IT Director
