CHURCHES USE TITHE.LY SITES TO GET THESE RESULTS ...

They understand the needs of churches looking to have a strong presence, without the daunting feeling like you need to hire an IT manager! Posting and managing content requires just a few simple clicks! Their sites look GREAT on both computers and mobile devices. Customer service is second to none." — Tyler, discipleship pastor

"I would estimate that 95% of newcomers have spent substantial time on our website before they walk through the front door. Our site has become our most effective tool to get the word out and grow our church." — Andy, associate pastor

They provided what our church needed when searching for a new website service—knowledgeability, responsiveness, innovation—and it was cost-effective for our limited budget." — David, chair of communications
