

Engage people on the go and from a distance.

Connect with your church every day of the week with a church app.

Top five reasons why you'll love Tithe.ly Church Apps

01. Built for you

Rather than simply providing technology for you to figure out alone, we work hand-in-hand with you from the beginning to build an app you love and can't wait to share.

02. Easy to manage

Your time is precious, so we build apps that work with your existing media, content, and web services, while reducing duplication to avoid increasing your administrative duties.

03. Custom branding and layout configurations

Tailor your church app to match the unique brand and aesthetic you've created. From simply adding your logo and colors, to customizing your landing page, menu options, and features, the church app allows you to communicate who you are as a church.

04. One low, monthly fee

We provide you with all of the engagement and communication features you need in a church app at an unbeatable price.

05. World-Class customer support

From email, live chat, phone support, and a robust library of online resources, help is a click or call away.
