Tithe.ly

Getting people's attention is hard. Let Tithe.ly Messaging help.

Tithe.ly Messaging is a texting and email tool that will help you broaden your reach and engage and drive action like never before.

The Five Reasons Why You'll Love Tithe.ly Messaging:

01. Reach More People

Most people prefer texting and email over phone calls. With Tithe.ly Messaging, you can connect with first-time guests and church members in the way they prefer.

02. Connect with First-Time Guests

First impressions are important. Tithe.ly Messaging allows you to touch base with first-time guests, encourage return visits and further involvement, and ensure no one goes unnoticed.

03. Boost Engagement

Don't worry about your announcements falling on deaf ears. Since 95% of texts are read within three-minutes, you can create awareness for any message or event.

04. Can't Beat the Price

Tithe.ly Messaging offers big opportunities at a small cost. Get access to unlimited email and 200 text messages (SMS) for only \$5 per month, with the first 30 days free. No contracts required.

05. World-Class Customer Support

We pride ourselves on providing exceptional customer service. We genuinely care about your church's success, that is why we have dedicated Experience Specialists to serve you.

Tithe.ly Messaging comes with the features you need to reach more people, boost engagement, and connect with first-time guests.

Text & Email Blasts

Need to make a quick announcement? Sending out a message blast to your congregation is a breeze, allowing you to keep everyone updated in real-time.

Two-Way Messaging

Make church more personal. Give your members the ability to send prayer requests, join a small group, or ask for pastoral care with a text message from their mobile device.

Automated Email Campaigns

Create personalized, automated messages to follow up with first-time guests, encourage your church throughout the week, or raise awareness for events and ministries.

Optimized Inbox

Make your administrative life organized by keeping your text and email messages under one inbox, saving you time and money. Tithe.ly Messaging also provides the ability to store contact information, send a text or email directly, create lists, send follow-ups, and much more.

“Text messages have a 98% open rate.”
