

Important Notice: Beware of Fraudulent Activity

Apptension is committed to maintaining a safe and secure online environment for our customers. We want to ensure your online safety and protect you from potential fraud.

1. **No Registration or Login Required:** We want to clarify that Apptension never requires customers to register or to log in to access our services or information on our website or other websites. If you encounter any registration or login requests, please treat them as suspicious.
2. **No Payment Required:** Apptension does not ask for payment information or financial details through our website or any other websites. We do not charge any fees for access to our services or products online. We do not offer any payments for reviewing our content or our apps/services.
3. **Communication Methods:** We communicate with our customers through official channels, such as email addresses ending in "@apptension.com" or by means provided on our official website. We do not engage in unsolicited communication through social media, instant messaging apps, or other unofficial channels. If you encounter any such communication, please treat it as suspicious.

Stay Informed: To stay informed about any official announcements or updates from Apptension please visit our official website or contact our customer support team using the contact information provided on our website. We urge you that Apptension operates only the <https://apptension.com> domain and does not use any other domains (any other domain with name apptension and add – ons like my-apptension.com, apptension-ap.com, etc. should be treated as fraudulent).

Reporting Suspicious Activity: If you suspect any fraudulent activity or encounter someone claiming to represent Apptension in a suspicious manner, please report it immediately to our customer support team. We take your security seriously and will investigate all reports promptly.

Please remember: Always exercise caution online and be vigilant when sharing personal information or engaging in financial transactions. Your online safety is important to us.

Thank you for choosing Apptension.
