

Company description

Established in 2009, Interiors by Design are a specialist kitchen and bedroom manufacturer. Our showroom is based in Wigston Magna, with our 3500 sq ft workshop just around the corner in South Wigston. We pride ourselves on our quality product and customer service.

Job description

The Role

- Plan, design and sell inspirational kitchens using our range of products with the highest level of customer service.
- You will be required to do home/site visits to measure and evaluate the customer's needs.
- Previous kitchen/bedroom design and sales experience is essential.
- Process estimates and pricing based on your design using Artcad/EQ software and be fully computer literate.
- You will be required to use your own vehicle during business hours, and travel expenses will be reimbursed accordingly.
- Our Package includes a Salary of between £16,000 - £20,000 subject to experience, with an OTE £35,000+

The Person

- Excellent customer service skills
- Able to communicate effectively at all levels, face to face and also on telephone.
- Ability to achieve and exceed sales targets
- You will have strong creativity skills
- You must hold a driving licence
- Planning and organising skills
- A desire for continuous personal and professional development

Job Types: Full-time, Commission

Salary: £20,000.00-£35,000.00 per year
