

# SIMPLECAP

THE BEST NEEDLE SYSTEM. EVER.

Utilizes a unique self-contained protective sheath

Reduces the risk of needlestick injuries

Meets OSHA standards for engineering control

Makes staff and patients more comfortable around needles

## SAFE. SIMPLE. EFFICIENT.

The SimpleCAP needle system is safer than traditional needles, easier to use, and fits standard dental syringes. How? We completely redesigned the old, traditional needle with a cap that threads on smoothly and recaps with ease while keeping your fingers away from the needle tip. It truly is the most advanced dental needle system ever created.
