

2-Year-old (2K) Welcome Letter Ages 24 Months – 35 Months

Congratulations! Your child has entered the two-year class. This is a major milestone for your child. We would like to welcome you and thank you for allowing us to provide quality child care for your child.

This class will be geared towards more structured social and cognitive skills. We will cover reciting numbers consecutively, focus on the alphabet, primary colors, shapes, and numbers. We will enhance your child's listening skills along with following directions. The classroom setting is structured to better prepare your child for the next class they will be moving to.

Emphasis will be put on large and small motor skills. Daily story time will enhance listening skills and center time will enhance learning through play. We will introduce crayons and using art supplies, and try our small motor skills with cutting with scissors as we gain better hand eye control.

This class is also designated to introduce your child to the potty. If you are not ready for your child to be potty trained, please let us know. Also, your child will not be allowed to move to the next class (3K) if they are not potty trained. To successfully help your child, we will need to work closely with you on the method or approach you are using at home. We realize that every child is different and they learn at their own pace. We prefer to use the method that you have chosen, so that the child is not confused while transitioning. Please provide Velcro pullups for our use here at the Academy.

Medicine forms are located in the classroom and will need to be completed before we can administer any medications, diaper ointments or any form of first aid. This is a DSS regulation.

The children will be eating lunch in the cafeteria and will be drinking out of a regular cup. Our classroom is sippy cup and pacifier free.

What your child will need:

Pull-ups with Velcro Closure (NO DIAPERS)

Wipes

Crayons (Big)

Box of tissue

Hand sanitizer

A blanket and crib sheet for nap time (they should be taken home on Fridays, washed and returned on Mondays)

Three changes of seasonal clothing

Your child's clothing should consist of 2- 3 set of the following- shirt, pants, underwear & socks. Please be sure to check your child's cubby daily for soiled clothing. **Please do not dress your child in onesies or belts. These items make it very hard for your child to potty without accidents.**

Please feel free to participate in any aspect of the class. We welcome you to drop in at any time. We'd love to have you as a chaperone on a field trip or stop by to read a story to the class. Thank you for allowing us to care for your little one!

~Your 2K Team
