

WELCOME TO OUR PRACTICE

Date: _____

Dear _____:

We welcome you to our practice and appreciate the opportunity to be of service to you. Our staff is a group of well-qualified professionals who work as a team to provide you with the highest level of treatment in a professional and caring environment.

Your appointment is scheduled with Doctor _____ on _____.

We ask you to arrive at _____ to allow us time to update your information and copy your insurance card(s). One of our nursing staff will be taking a medical history at this time. ***Please bring a complete list of the medications you currently take, your allergies to medications, and your surgical history with year of surgery.***

Referrals: If your insurance is an HMO, a referral from your primary care physician (PCP) **is required** for you to be treated by our physicians. You are responsible for providing us with the referral before you are seen by our doctors. If you fail to provide us with a referral, you will be responsible for your charges.

Minors: All children under the age of 18 **must be accompanied by a parent or legal guardian**. If the parent or legal guardian is unable to accompany the minor child, we must have a note stating who will be accompanying the minor and permission from the parent/legal guardian authorizing this practice to treat the minor child.

Cancellations: We require at least a 24-hour notice should you need to change or cancel your appointment.

Telephone Calls: Should you have a problem, please do not hesitate to call. Our office staff has been trained to handle all situations. A message will be taken and then given to one of our physicians, who will review the chart and respond appropriately. Please remember to leave a phone number where you can be reached.

Should you need to contact us after hours, call 301-714-4375 and our answering service will forward your message to the physician on call. Please note that we share on-call coverage with Dr. Kirby Scott which means he may be returning your call.

In the event of an extreme emergency, go directly to the Emergency Room.

Medicare: We do participate with Medicare. We will file your claim for you and accept what Medicare **allows**. If you have a secondary carrier, we will submit any unpaid balance to it. All payments from Medicare and secondary carriers should be sent to our office. Please keep in mind that you may be responsible for any charges not covered by Medicare or the secondary insurance such as deductibles, co-payments, and co-insurances.

Commercial Insurance: We do participate with a number of insurance carriers. Please ask our staff if we participate with your particular insurance. If so, we will be glad to submit the charges for your visit and accept the insurance allowed amount for covered services. **Please keep in mind that you will be responsible for co-payments, deductibles and co-insurances.**

If you do not have insurance or have insurance with which we do not participate, we will expect your payment for services rendered at the time of your visit. You will receive two copies of the fee ticket to use when submitting your claim to your insurance company for reimbursement. If you are unable to pay at the time of service, you may make payment arrangements with our Billing Department prior to treatment. Please note that the charge for your visit depends on the level of service rendered to you. Prices may be higher if hearing tests or diagnostic/surgical procedures are required. Feel free to discuss charges with our physicians or staff prior to having these services. You may pay by cash, check, Visa, Mastercard or Discover.

Surgeries: If we participate with your insurance company, we will submit your surgery charges directly to your insurance company. Balances remaining after your insurance has paid are the responsibility of the patient. Please be aware that we bill only for our physicians.
