LARGE VARIETY OF SPECIAL EFFECT COATED FINISHES

ANODIZED FINISHES FOR DENOVOBOND A2/A1

DE
NOVO
BOND

- **Gloss Mirror** – High Specular reflection
- **Blur Finish** – Semi Gloss reflection
- **Ghost Line** – Hidden horizontal lines appearing only under certain angles
- **Brushed finish** – Deep structure brushed effect
- **Full Matt** – Uniform matt metallic effect

Mirror properties allow for

- Stunning architectural and visual effects
- Duplication of the image reflected
- No Glare – reflection is not scattered on the whole surface
