

Our Mission

Fostering economic growth and development
for the country as a whole;

Cooperation amongst banks on matters of mutual interest
apart from advocacy;

Building partnerships with regulators in looking for opportunities
to enhance safety and efficiency in the banking system;

Working with law enforcement to combat financial crime.

Our Strategy

4 STRATEGIC PILLARS

The JBA has selected four key areas of focus
for the organization:

ADVOCACY

Monitoring and responding to planned changes to legislation and
other regulatory requirements impacting the industry.

PUBLIC EDUCATION

Promoting better understanding by consumers of banking products,
prudent financial practice and risks related to financial crime and
money laundering.

STAKEHOLDER ENGAGEMENT

Promoting greater co-operation amongst banks and with the
regulators and law enforcement on areas of mutual interest.

ECONOMIC VIABILITY

Promoting the creation of an environment within the country
that stimulates economic growth and development.
